### Community Benefit Ranking Descriptions

**Redevelopment / Reuse of Existing Sites** The project revitalizes blighted property and/or transforms the use of existing structures in a positive way.

**Business Development / Economic Growth** The project stimulates growth potential through immediate commercial offerings and/or long-term investment return value.

**Neighborhood Connections** The project makes the district better suited to those who walk or ride bikes and makes it easier to access other areas in the corridor by all modes of transportation, including vehicles and buses.

**Neighborhood Beautification** The project improves the look of neighborhoods and streets and makes the area more welcoming to businesses.

**Community Identity / Interaction** The project connects people through public spaces while building neighborhood ownership and pride.

Please prioritize each of the projects listed above and depicted on the profile sheets:
