Property Information

General location and/or street address of property: 108 N Beadle Rd Lafayette La 70508

Present Zoning: R-1-A

Requested Zoning: RM-2

Proposed and/or existing use(s): Single Family Residential

Area of Property (in acres or square feet): .75 acres

Reason for rezoning request and proposed use of property (be as specific and detailed as possible): There are two adjacent properties that are zoned commercial and two that are residential. The request of rm would provide the opportunity to develop something that could transition the two districts, perhaps town homes.

State the reason(s) this request is consistent with *PlanLafayette* (see the plan at www.lafayettega.gov)

Its to satisfy a growing demand of houses in the city by developing denser projects. It also provides a buffer between the residential and the commercial areas.
