**Background**

Through the External Agencies Funding Program, Lafayette City Consolidated Government supports agencies that enhance the economic, social, cultural and educational welfare of citizens of Lafayette. A social service agency is generally defined as an agency that provides direct services to people in need. They may serve the general public or specific populations (e.g. children, victims of domestic violence, persons with disabilities, etc.)

Each agency will be allowed to submit only ONE application.

**Requests – Minimum and Maximum**

Applicants may request between \$2,000 and \$15,000. No cash match is required. In-kind support is not mandatory, but strengthens an application.

**Application Deadline**

Applications must be delivered in triplicate (one original and two copies) to the Community Development Department of Lafayette Consolidated Government by **4:00 p.m. Friday, August 21, 2020** for the funding period of November 1, 2020 and October 5, 2021. Applications received after this time, or lacking required attachments, will not be accepted or reviewed. The Community Development Department is on the second floor of City Hall, located at 705 West University Avenue, Lafayette, LA 70506.

### **Application Review Process**

The Director of the Community Development Department will designate a five-person Review Panel to review the applications during fall 2020. Please Note: In the future, a point will be deducted from agencies who were non-compliant with program guidelines from previous grant cycles beginning this year. The Social Services Review Panel will make funding recommendations to be presented to the Lafayette City Council. The City Council then votes on a Resolution to 'affirm' the 2020-21 External Agencies awards. Once the Resolution is adopted grants can be awarded.

### **Grant Procedure**

Grant activities must take place during the LCG fiscal year of November 1, 2020 – October 5, 2021.

**Please remember that this is a competitive grant process. Therefore, an application may or may not be funded, dependent on the number of applicants, the amount of External Agencies funding available, and the application's score based on the evaluation criteria. The acceptance of an application does not imply that it will be funded automatically in the 2020-21 Fiscal Year.**

Grants are on a reimbursable basis. The agency will incur the expense and then submit documentation to Lafayette Consolidated Government to be reimbursed. The agency will be required to submit interim and final reports. All grant materials must be retained for three (3) years following the completion of the grant period.

### **Grant Writing Tips**

- **Be specific.** Write in simple, clear language.
- **Use facts and not opinions.** Present concrete statistics, plans, specific goals and evidence of research and planning as it relates to your population and local statistics. Cite sources where applicable.
- Complete the application as though the reader knows nothing about the agency. Panelists are asked to base scores solely on the information presented in the application.
- The narrative and budget should be consistent. Give details on how funds will be spent.
- **PROOFREAD.** Have other people read a draft of the application. Does it make sense to them? Does it address the evaluation criteria? Are all the attachments included?

A virtual grant writing workshop for Social Service agencies interested in applying for External Agencies funding will be held on Wednesday, July 22, 2020 at 2 p.m. A link will be provided as soon as it is available, please check the LCG website for updates prior to the workshop.
