Lafayette City-Parish Consolidated Government HOME-ARP Allocation Plan

Consultation

Describe the consultation process including methods used and dates of consultation:

The Lafayette Consolidated Government (LCG) Community Development and Planning (CDP) Department contacted various local non-profit organizations, detailed in the attached list, to gain insight into the housing crisis and the areas of need in which HOME-ARP funding would be most beneficial.

At a public hearing on February 16, 2022 for LCG's 2022 Annual Action Plan, the HOME-ARP program was discussed. Attending the hearing were representatives of several key agencies with which LCG needed to consult for the plan.

On May 6, 2022, emails were sent to key agencies with information about the HOME-ARP program and a survey comprised of key questions related to the needs of the Qualifying Populations and the gaps in services to these populations. The agencies were requested to return the survey responses and any other comments and information by May 31, 2022.

On May 23, 2022 at a second public hearing regarding the 2022 Annual Action Plan, the HOME-ARP program was discussed again, and representatives of the key agencies LCG needed to consult for the plan who were in attendance were reminded that LCG needed their feedback.

At the same time, LCG Grants Administration was undergoing a period of high staff turnover and difficulty in finding new employees. On July 11, 2022, a permanent employee was hired with the responsibility of managing the process of creating LCG's Consolidated Plans, Annual Action Plans, CAPERs and Amendments to AAPs such as the HOME-ARP Allocation Plan. Since most of the agencies contacted in May had still not responded, in August 2022 a concerted effort was made to again reach out to these agencies. The key agencies were contacted again via email and phone calls. In some cases, face-to-face meetings were scheduled to explain HOME-ARP, the planning process, and what LCG needed from the agency. LCG started to receive feedback, some of which included names of additional agencies for LCG to contact. LCG reached out to these additional agencies via email and phone calls, however some crucial data and responses were still not received until late in January 2023.

American Patriots	Veterans and Civil Rights Advocacy Group	• Phone Call	No response

Summarize feedback received and results of upfront consultation with these entities:

The consultation process revealed that there is more need in the jurisdiction than can be directly addressed by the HOME-ARP funding. The needs identified include:

- Non-Congregate Shelters (NCS) for immediate and emergency needs of the qualifying populations
- NCS or other shelters needed to address needs of several subpopulations with special needs or circumstances such as: veterans, disabled (developmentally and/or physically), elderly, women & children who are not products of domestic abuse, families that need to be sheltered as a unit
- Affordable rental housing and public housing, particularly transitional housing to help families become financially stable
- Tenant-based rental assistance (TBRA) and Utilities Assistance funding to help participants through crisis situations
- Supportive services such as high impact housing counseling services, legal assistance, and mental health services
- Operational expenses for shelters
- Funds for diversion programs and homelessness prevention programs
- Landlords willing to accept Section 8 vouchers
- Transportation between housing locations on the one side and jobs, healthcare, pharmacies, grocery stores, and other shopping and services on the other side so that individuals and families can become more independent and financially stable

Public Participation

Describe the public participation process, including information about and the dates of the public comment period and public hearing(s) held during the development of the plan:

- ***Date(s) of public notice:*** [1/29/2023](#)
- ***Public comment period:*** start date – [2/12/2023](#) end date – [3/14/2023](#)
- ***Date(s) of public hearing:*** [2/16/2023](#)

Describe the public participation process:

CDP discussed HOME-ARP during a public hearing on February 16, 2023, as well as earlier public hearings on February 16, 2022 and May 23, 2022, in which the purpose of HOME-ARP was discussed.

CDP staff described:

- The Qualifying Population intended as the beneficiaries of this funding
- The eligible activities that may be funded with HOME-ARP
- LCG's total allocation of HOME-ARP funds
- The intended allocation of funding across activity types

Of the agencies in the Consultation List above, the following agencies had representatives at the public hearing: ARCH of Acadiana, AcadianaCares, Catholic Charities of Acadiana, The Outreach Center, LCG Human Services Division, Housing Counseling Program, Acadiana Housing Alliance (AHA), American Legion Post 69, Mayor-President's Awareness Committee for Citizens with Disabilities, Families Helping Families, and Safehouse by Landmark.

CDP requested feedback and further insight from the attendees of the public hearing. No feedback or insights were offered at the public hearing. Attendees were encouraged to access the physical copies at the various locations listed below or to access the version online at CDP's website listed below. After the public hearing all attendees were emailed the link to CDP's website as well as links to other information about HUD's HOME-ARP Program.

The HOME-ARP Plan was made available to the general public for a 30-day comment period. Availability of the plan was advertised in the local newspaper, The Daily Advertiser, on Sunday January 29, 2023 and was available for public review at the following locations: Lafayette Public Libraries (2): the Main Branch – 301 West Congress St., Lafayette, LA and the Clifton Chenier Center Branch (Town Hall, Building C), – 202 West Willow Street, Lafayette, LA; LCG, CDP, Grants Administration Office, 705 West University Avenue, (Second Floor, Lafayette City-Parish Hall), Lafayette, LA; Lafayette City-Parish Council Office, 705 West University Avenue, (First Floor, Lafayette City-Parish Hall), Lafayette, LA; The Housing Authority of Lafayette, LA, 115 Kattie Drive (Administration Office), Lafayette, LA; and the CDP's website -

<https://www.lafayetteela.gov/DP/consolidated-planning>. As of the end of the public comment period, no comments were received.

Describe efforts to broaden public participation:

LCG mailed letters containing flyers regarding the public hearing to 75 local churches and 28 local grocery stores, requesting they post the flyers and assist with communication in their communities. LCG submitted Public Service Announcements (PSAs) to 10 media groups representing 24 TV and radio stations (55 email addresses) to publicize the public hearing. LCG sent over 90 emails with the flyer and the public notice to over 50 other stakeholders (non-profits, CHDOs, etc.).

Summarize the comments and recommendations received through the public participation process either in writing, or orally at a public hearing:

At the end of the public comment period, no comments had been received.

Summarize any comments or recommendations not accepted and state the reasons why:

Not Applicable. At the end of the public comment period, no comments had been received.

Narrative Notes concerning the Homeless Needs Inventory and Gap Analysis Table

This table was populated based on the Point in Time (PIT) and Housing Inventory Count (HIC) surveys for 2022 supplied by the Acadiana Coalition on Homelessness and Housing (ARCH), which is the local Continuum of Care (CoC). The PIT and HIC counts are attached in the Appendix for reference.

The CoC conducted the surveys in January of 2022 and submitted the findings in early spring, but it was not until late fall of 2022 that HUD published the data, therefore making it publicly available for use.

Since that time, the number of beds available has decreased. For example:

- ARCH exhausted ESG-CV funding which had allowed the organization to operate a non-congregate shelter (NCS) from a local motel.
- Due to lack of operational funding, leading to staffing shortages, The Lighthouse has taken its shelter beds offline.

Furthermore, one ARCH program and three agencies identified in the HIC are located outside of the parish (ARCH - Lafayette EHV, Assist Agency, Chez Hope, and Iberia Homeless Shelter).

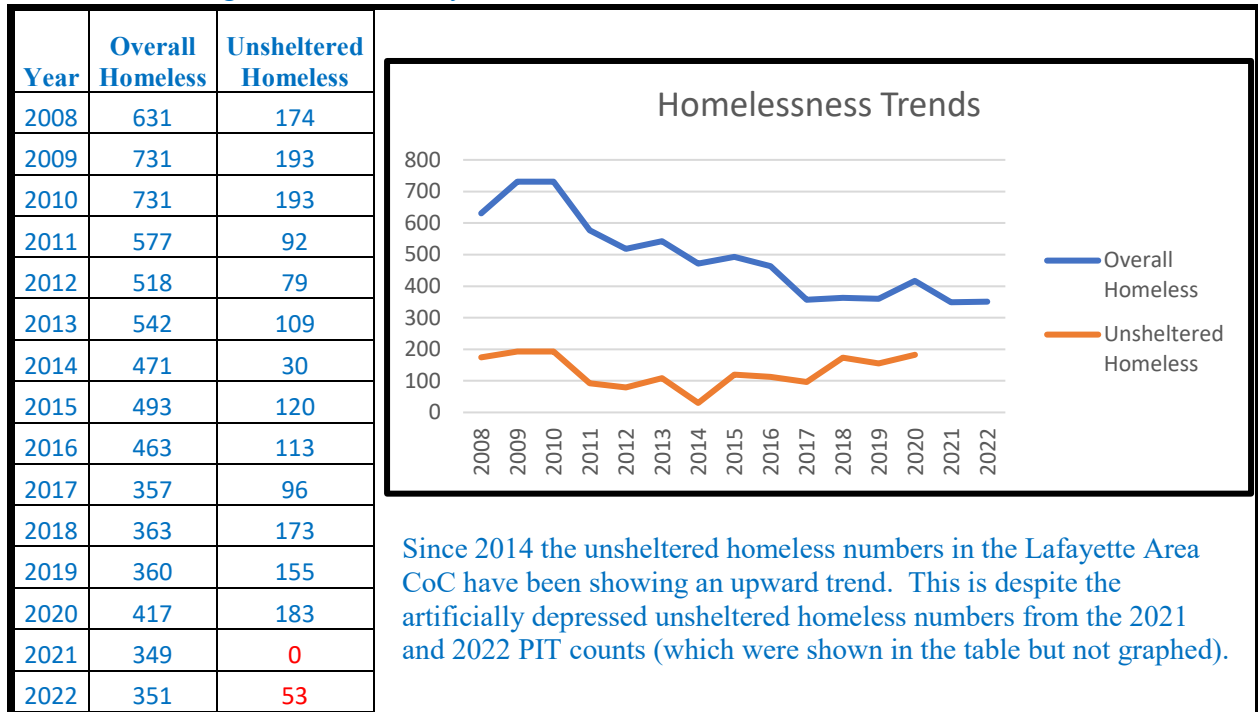

These discrepancies result in an overstatement in the table of the inventory counts for Emergency Beds and total year-round beds. The table shows 161 more Emergency Beds and 407 more total year-round beds than are available in Lafayette Parish at this time.

The HIC reported Family Units and Family Beds as the Gap Analysis Table requires. But while the HIC did report Adults Only Beds, it did not report Adults Only Units. For the sake of the Gap Analysis Table, it was assumed that Adult Only Units were equal to Adults Only Beds.

It should also be noted that the 2022 PIT Count was artificially depressed because of two separate factors, which are either no longer relevant or will soon be irrelevant.

- First. At the time the survey was conducted, ARCH was operating the ESG-CV-funded Project Keystone, which included fully/partially-funded rapid rehousing solutions (such as rent, utilities, and case management). Many Project Keystone clients were unable to find footing, and when the funding expired in August of 2022, they were evicted and are now on the streets.
- Second. Lafayette Consolidated Government also received substantial funding for emergency rental and utilities assistance from the U.S. Department of the Treasury, which allowed for families to remain sheltered during the COVID-19-related national emergency. These funds will expire before the end of 2023.

Due to the artificial depressions, a more historical perspective would be helpful as described in the below table and graph. According to the Overall Homeless and Unsheltered Homeless numerical data from the PIT counts of 2008 through 2022, it is evidenced that unsheltered homelessness is increasing even as overall homelessness is declining. All the factors described above (programs ending and shelters closing) have contributed to this increase in the unsheltered homeless population. With these factors in mind, it is expected that without intervention these numbers will surge in 2023 and beyond.

Taking these trends and expectations into account, ARCH's family and individual shelter leads provided the following summary of the number of additional beds/units they would need to shelter everyone.

Gap Analysis			
Family		Adults Only	
# of Beds	# of Units	# of Beds	# of Units
125	50	200	150

Narrative Notes concerning the Housing Needs Inventory and Gap Analysis Table

This table was created based on 2021 American Community Survey (ACS) data and 2015-2019 Comprehensive Housing Affordability Strategy (CHAS), which was the latest data obtained. The ACS and CHAS data are attached in the Appendix for reference.

The Source of The Numbers for The Current Inventory

The Area Median Income (AMI) for 2021 reported in the ACS data was \$59,093. The resulting thresholds for 30% of AMI and 50% of AMI appear in the table below, as well as the affordable monthly rent for each which is defined as rent that is less than 30% of monthly income.

Based on AMI of \$59,093	Annual Income	Affordable Monthly Rent
Household at 30% of AMI	\$17,728	\$443.20
Household at 50% of AMI	\$29,547	\$738.66
Household at 100% of AMI	\$59,093	\$1,477.32

These thresholds allow for the calculation of the total number of rental units reported in the ACS data for the respective price ranges.

The Source of The Numbers for The Level of Need

The CHAS data did not report the two categories requested by the Housing Needs Inventory and Gap Analysis Table. The CHAS did report on the number of renter households in these income brackets who had one or more housing problems, but it did not include the number of renter households in these income brackets who had one or more severe housing problems. For those with severe housing problems, it reported only the total number of renter households. For the sake of the analysis, it was assumed that the breakdown by income brackets would be the same in both cases (i.e. housing problems and severe housing problems), and the values were estimated in the process indicated by the tables below.

From Housing Problems Overviews 1 & 2	Renter
Household has at least 1 of 4 Housing Problems	13,665
Household has at least 1 of 4 Severe Housing Problems	7,920

Income by Housing Problems (Renters only)	Household has at least 1 of 4 Housing Problems	Percent of 13,665	Proportionate Amount of 7,920
Household Income <= 30% HAMFI	6,525	47.75%	<u>3,782</u>
Household Income >30% to <=50% HAMFI	4,315	31.58%	<u>2,501</u>
Household Income >50% HAMFI	2,825	20.67%	1,637
Total	13,665	100.00%	7,920

Note: The two underlined numbers are the calculated values that were entered as Level of Need in the Housing Needs Inventory and Gap Analysis Table.

The Gap

When defining the Gap as the Level of Need minus the Current Inventory, it would initially appear that Lafayette Parish has surplus housing inventory (Gap Value of -7,510). Yet this does not tell the whole story. As described by the Acadiana Regional Coalition on Homeless and Housing (ARCH), the situation has other complicating factors (see the Media Advisory on Visible Homelessness attached in the Appendix).

Since January of 2020, Lafayette has been affected by eight major weather events resulting in disaster declarations. Even before these weather events, there was an influx of new residents from the all along the Gulf Coast who moved to Lafayette after evacuating weather-related disasters in their areas. This influx has imposed a strain on the local housing market. ARCH reports that rental prices have increased at their fastest rate since 1986, while businesses and nonprofit organizations suffer from supply chain issues, staffing challenges, and out-of-reach operational costs compounded by the pandemic. ARCH states that 63% of renting households in Louisiana are delinquent on payments and are somewhat likely or very likely to face eviction in the coming months.

Describe the size and demographic composition of qualifying populations within the PJ's boundaries:

Lafayette Parish as a Whole

This group is not a qualifying population, but this description is provided to create a frame of reference when discussing the four qualifying populations below. The data comes from the 2022 numbers in an ESRI Market Profile of Lafayette Parish, which can be found at <https://www.lafayettela.gov/DP/PlanningRezoning/neighborhoodplanning>. A copy is attached in the Appendix.

Total Population: 246,890

Demographic Summary

By Race: 25.3% Black, 63.0% White, and 11.7% Other and/or Multiple Races.

By Ethnicity: 6.8% Hispanic/Latino and 93.2% Non-Hispanic/Non-Latino.

Homeless as defined in 24 CFR 91.5

According to the 2022 PIT survey, 351 Lafayette area individuals were experiencing homelessness as of February 21, 2022. Of this group, 167 individuals were members of families with children, and 184 were adults without children. Special subsets of this total included 37 veterans and 34 victims of domestic violence.

Demographic Summaries of these 351 persons are:

By Race: 54.1% Black, 37.3% White, and 8.5% Other and/or Multiple Races.

By Ethnicity: 5.4% Hispanic/Latino and 94.6% Non-Hispanic/Non-Latino.

By Gender: 43.3% Female, 55.8% Male, and 0.9% Other.

The homeless populations experience many problems which are not mutually exclusive. For example, Catholic Charities of Acadiana (CCA) reported that of the people served through their shelters between August 1, 2022 and August 15, 2022 almost half reported a mental health disorder, 35% reported a chronic health condition, 16% reported a developmental disability, 33% reported a physical disability, 55% of those served had two or more co-occurring issues and 23% are over the age of sixty-two.

Likewise, the information from AcadianaCares illustrates the overlap of homelessness and other problems. AcadianaCares is a local organization which works with vulnerable members of the community – specifically those affected by HIV/AIDS, inequities in healthcare, poverty, and homelessness as well as those needing substance use treatment – to assist them in living healthier lives. In AcadianaCares' 2021 Client Satisfaction Survey of their HIV+ clients, it was revealed that among the 378 respondents who had been assisted in any capacity by AcadianaCares, 42% (approximately 158) had needed housing assistance due to a shortage of personal funds compared to the cost of housing.

At Risk of Homelessness as defined in 24 CFR 91.5

According to the recent CHAS data, there are 14,450 households (15.8% of all households) in Lafayette Parish with an income that is less than 30% of the HAMFI. Of these 5,155 are homeowners and 9,295 are renters).

There are also 23,160 households (25.3% of all households) whose housing cost burden exceeds 30% of their income (12,090 have cost burden between 30% & 50%, and 11,070 have cost burden over 50%).

The cost burden problem is more pronounced when considering renters only (as opposed to renters and owners combined). There are 12,870 households (40.0% of renter households) whose cost burdens exceeds 30% of their income (6,155 have cost burden between 30% & 50%, and 6,755 have cost burden over 50%).

The latest ALICE (Asset Limited, Income Constrained, Employed) report shows that 40,470 of 94,002 households in Lafayette Parish are below the ALICE threshold (43.4% of the households). These households are potentially one family emergency away from becoming homeless. The ALICE report is attached in the Appendix for reference.

Catholic Charities of Acadiana (CCA) reported on a sample of requests for assistance received across the entire Continuum of Care Coordinated Entry data for both crisis needs assessments and housing needs assessments. In that report, 27% of the people in crisis (104 of 380) were also at risk of homelessness. This result was based on the number who were referred to shelters when their crisis needs assessment was completed.

Fleeing, or Attempting to Flee, Domestic Violence, Dating Violence, Sexual Assault, Stalking, or Human Trafficking, as defined by HUD in the Notice

According to the Outreach Center, in the past year they were aware of 671 individuals who fled or attempted to flee domestic violence, dating violence, sexual assault, stalking, or human trafficking.

Demographic Summaries of Individuals recorded by the Outreach Center:

By Race: 41% Black, 36% White, 5% Other and/or Multiple Races and 18% Unknown.

By Ethnicity: 4% Hispanic/Latino, 78% Non-Hispanic/Non-Latino, and 18% Unknown.

By Gender: 68% Female, 17% Male, and 15% Other or Unanswered.

Faith House reported that in 2021 they provided safe shelter to 358 such adults and children, but because of lack of space had to turn away 763 adults and children who were fleeing abuse. Those they could not shelter were offered nonresidential case management and support services.

Demographic Summaries of Individuals recorded by Faith House:

By Race: 24% Black, 55% White, 7% Other and/or Multiple Races, and 14% Unknown.

By Gender: 82% Female, and 18% Male.

Other populations requiring services or housing assistance to prevent homelessness and other populations at greatest risk of housing instability, as defined by HUD in the Notice

In regards to the definition outlined by the Notice at IV.A.4.(2).(i), recent CHAS data shows that Lafayette Parish has 7,525 households (8.22% of all households) who have an income of less than or equal to 30% HAMFI and a severe housing cost burden (paying more than 50% of monthly household income toward housing costs). In the case of renters only, 5,155 renter households (16.02% of all renters) have an income of less than or equal to 30% HAMFI and a severe housing cost burden (paying more than 50% of monthly household income toward housing costs).

In regards to the rest of the definition in the Notice, no good data was identified on how all the various criteria for this population intersect to find the number of households that might meet the definition. However, examination of any one of the criteria reveals a significant number of households that meet that criteria. This implies that practical application of HOME-ARP guidelines as part of an intake process will reveal sufficient overlap among the criteria such as would qualify other households as part of this population.

For example, according to recent CHAS data, there are 25,385 households (66.53% of all households) who are at or below 50% HAMFI. Of those below the 50% HAMFI, there are 16,460 households (17.98% of all households) who experience at least one of the four major housing problems reported in CHAS data. It is highly likely that when implementation of the HOME-ARP activities begins some of these households will meet at least one of the other criteria in the Notice.

The current Parish Demographics and Market Profile report, located at <https://www.lafayettela.gov/DP/PlanningRezoning/neighborhoodplanning> states that in 2010, approximately 2.3% of the population were in group quarters (institutionalized or noninstitutionalized). Assuming the same holds true today, based on total population reported on the US Census Bureau website, the parish currently has approximately 5,560 persons who are currently housed who could be potentially unhoused if released from their current group quarters.

The Lafayette Parish School System identifies 938 students from 526 households who are eligible for McKinney-Vento Services for the 2022-2023 school year.

The HIC count also shows 788 persons participating in some sort of housing program (Permanent Supportive Housing, Rapid Rehousing, or Other Permanent Housing), as opposed to residing in stable personal housing.

CDC/SVI Data for 2018 obtained from the Louisiana Department of Health / Region 4 Office of Public Health / Health Disparities Division shows that 10 of the 42 census tracts in

Lafayette Parish have a Social Vulnerability Index (SVI) of greater than 0.7009. A statistically normal distribution would suggest Lafayette Parish should have only 7 such census tracts. This represented approximately 18% of Lafayette Parish population at the time (44,195 of 240,091 persons).

Another indicator of housing instability in the Parish is that as of January 23, 2023, LCG, through its partners SMILE Community Action Agency and Catholic Charities of Acadiana, has provided rent and utility assistance to 5,543 households through Federal U.S. Treasury Emergency Rental Assistance funds.

Describe the unmet housing and service needs of qualifying populations:

—and—

Identify any gaps within the current shelter and housing inventory as well as the service delivery system:

Homeless as defined in 24 CFR 91.5

The primary need for the homeless population is to increase emergency shelter capacity so that the homeless do not need to sleep on the streets. This increased capacity should preferably be in non-congregate environments. Current shelters are usually operating at capacity, and when inclement weather (heavy rains, hurricanes, freezing temperatures) causes those who usually avoid these programs to seek shelter, the shelters must seek special waivers to house people beyond their legal capacity, resulting in crowded, substandard congregate environments. For example, Catholic Charities of Acadiana reports that they operate three shelter programs, caring for more than 100 individuals each day, but they still must turn away approximately 30 people a night.

The secondary need for the homeless populations is affordable housing, Section 8 vouchers, Tenant-Based Rental Assistance (TBRA), temporary mortgage assistance, landlords willing to accept Section 8 vouchers and TBRA, and programs to assist residents in obtaining what affordable housing, vouchers and TBRA are available.

Examples of the need for affordable housing include the status of the Section 8 waiting list and the Public Housing waiting list. The Lafayette Housing Authority (LHA, the local PHA) reports that the Section 8 waiting list has 88 households and that the waiting list has been closed since 2014. It opened briefly in May of 2022 and then immediately closed again. LHA also reports the Public Housing waiting list which was closed in 2014 only reopened in September of 2022 and it now has 609 households.

Emergency shelters can only be expanded so much. Therefore, eventually those populations in the emergency shelters must be assisted to move into more permanent housing solutions. Other programs to assist people in obtaining permanent housing are considered below in the discussion regarding the at-risk-of-homelessness population.

A tertiary need is transportation. This need applies to all homeless households and low- or moderate-income households as reported by ARCH. It was also specifically mentioned by local veterans' services providers as a concern for their clients. The households who have experienced homelessness or who are at risk of homelessness are also less likely to have personal transportation, which makes it difficult for them to travel to and from jobs that may improve their current situations. Public transportation is limited to established bus routes within the city, which may not serve all their needs and which still leaves nothing for the rural areas.

One population was mentioned during the consultation process for which the transition from homelessness to permanent housing is particularly difficult – registered sex offenders. While caution about where they can be housed on an emergency or permanent basis is an extremely valid concern, it also creates a particular shortage of options for this population. The restrictions could encourage or even force them to remain homeless. Having them on the streets rather than in a monitorable, permanent location also creates a danger to the community.

At Risk of Homelessness as defined in 24 CFR 91.5

The needs of the at-risk-of-homelessness population are roughly the same as the needs of the homeless population, but it can be considered that the primary and secondary needs are reversed.

If residents are not homeless at the moment, then by increasing the availability of “deeply affordable” housing, Section 8 vouchers, TBRA, temporary mortgage assistance, landlords willing to accept Section 8 vouchers and TBRA, and programs to assist this population in accessing these services, the chances of them never becoming homeless at all are increased.

On the other hand, if the various service providers fail to catch at-risk residents in time, then they could become homeless, resulting in the increased need of emergency shelter capacity to house them until they can be moved into a more permanent solution.

Likewise for this population, transportation which increases their job opportunities would also increase the likeliness that they will not become homeless, moving them from an at-risk-of-homelessness status to a more stably-housed status.

Some of the other programs needed to assist this population include:

A. Diversion Programs

As described by Catholic Charities of Acadiana (CCA), diversion programs are a client-based form of intervention that helps clients immediately address their need by finding a safe alternative for housing rather than having them enter a shelter or become unsheltered on the street. This intervention is client-based and includes assistance in returning to their

previous housing, reconnecting them with family, or assisting them in returning to an improved permanent housing solution such as an apartment or rental. CCA utilizes diversion as part of the Coordinated Entry process. However, funding to increase the case management capacity of this program is needed.

B. Homeless Prevention Funds

Homeless prevention funds provide funding for rental assistance, rental application fees, security deposits, utility deposits, utility payments, last month's rent and moving costs, and temporary mortgage assistance. These funds can help connect individuals and families to permanent housing solutions faster. Local veterans' groups report that when funds are available for such services, the money is short-lived.

Fleeing, or Attempting to Flee, Domestic Violence, Dating Violence, Sexual Assault, Stalking, or Human Trafficking, as defined by HUD in the Notice

According to local providers of services to this population, safety is the highest priority need – safe, emergency shelter. As victims flee their abusers, safe shelter is one of the most effective resources that can be offered to them. Unfortunately, space is limited in the current facilities, and there is simply not enough space available to meet the need.

As an overflow option, some of the advocates will house victims in hotels, assist with relocation to other shelters, assist with relocating to rental housing, etc. However, those alternatives can take more time and are not always immediately available. Additional shelter beds with security and supportive services are needed to properly serve victims in Lafayette Parish.

Other priority needs would be legal assistance and mental health services to help those in this population as they attempt to restructure their lives separate from their abusers.

Other populations requiring services or housing assistance to prevent homelessness and other populations at greatest risk of housing instability as defined by HUD in the Notice

As with the at-risk-for-homelessness population, the priority needs for this population would be to increase opportunities for them to obtain deeply affordable housing. All of the programs discussed earlier could assist them as well.

Additionally, other programs described in the Implementation Notice as McKinney-Vento Supportive Services, Homelessness Prevention Services, and Housing Counseling Services would benefit this population and all the populations already discussed.

In summary, there are many severe needs and gaps in current shelter, housing, and services available to the qualifying populations as detailed above. A concise list of the severe needs or gaps Lafayette Parish faces would include:

- Limited emergency shelter beds, particularly
 - Non-Congregate Shelters (NCS)

- NCS units to house complete families, particularly those who are not fleeing abuse
- Safe options for those with developmental disabilities
- No shelter specifically for veterans
- Lack of transitional housing which assists families to become financially stable
- Lack of deeply affordable housing and available housing in general compounded by:
 - Lack of Section 8 vouchers
 - Lack of funding for Tenant Based Rental Assistance (TBRA)
 - Lack of funding for temporary mortgage assistance
 - Lack of landlords willing to accept Section 8 vouchers and TBRA
- Programs and funding for programs to assist residents in obtaining what affordable housing, vouchers and TBRA are available.
- Other supportive services including but not limited to:
 - Transportation
 - Legal assistance
 - Mental health services

Under Section IV.4.2.ii.G of the HOME-ARP Notice, a PJ may provide additional characteristics associated with instability and increased risk of homelessness in their HOME-ARP allocation plan. These characteristics will further refine the definition of “other populations” that are “At Greatest Risk of Housing Instability,” as established in the HOME-ARP Notice. If including these characteristics, identify them here:

Characteristics of housing associated with instability and an increased risk of homelessness in Lafayette Parish include:

- Low income; including households that are at risk for poverty as reported by:
 - Utilizing SNAP benefits
 - Utilizing Medicaid
 - Those receiving McKinney-Vento Assistance through various organizations such as the Lafayette Parish School System
 - Those relying on food banks such as Second Harvest
 - Those households which are under employed or have experienced job loss or wage reduction due to the effects of COVID-19
- Special needs such as:
 - Developmental disabilities
 - Physical disabilities
 - Advanced age
- Domestic Violence
- Housing not supported by lease agreements
- Co-habitation/overcrowding
- Sub-standard housing rentals which can leave families and children vulnerable to crime, injury and illness

Identify priority needs for qualifying populations:

The priority needs identified are:

- Non-Congregate Shelters (NCS)
- Affordable rental housing, particularly transitional housing
- Supportive services

The three needs identified are actually needs of all four qualifying populations. For example, it is generally assumed it is QP1 and/or QP3 which are served by an NCS and that it would be QP2 and QP3 that are served by affordable rental housing. In truth, if a family or individual belongs to QP2 or QP4, moving into an NCS could be a first step toward moving into stable affordable housing. Likewise, a resident who belongs to QP1 or QP3 will often enter an NCS or other shelter program but will need to eventually move into stable affordable housing as well. In regards to Supportive Services, families and individuals in all four qualifying populations often have need of various supportive services to help them improve their housing situation on a permanent basis. Addressing these three priority needs will benefit all four qualifying populations.

Explain how the PJ determined the level of need and gaps in the PJ's shelter and housing inventory and service delivery systems based on the data presented in the plan:

The level of need and the gaps in Lafayette Parish's shelter and housing inventory and service delivery systems was based on the review of all aspects of housing within the parish. The Lafayette Parish consulted with housing providers, CoC members, non-profit organizations, various internal departments, interested agencies and organizations, as well as held public hearings and solicited public comment on a draft of the allocation plan.

HOME-ARP Activities

Describe the method(s) that will be used for soliciting applications for funding and/or selecting developers, service providers, subrecipients and/or contractors:

LCG will solicit applications from outside agencies interested in using HOME-ARP funding on activities to meet the needs of the QPs and the goals of LCG's plan. These applications will be scored on several factors.

LCG has an established procedure for soliciting applications on an annual basis from outside agencies who wish to utilize remaining CDBG and HOME funds from previous years for projects in line with goals in LCG's Consolidated Plan. This procedure has recently been adapted to an online electronic format and will be further adapted to handle requests for HOME-ARP funds.

Outside agencies submit an initial application, which is evaluated alongside other applications. The highest-ranking initial applicants are then invited to complete more detailed final applications, which are then evaluated to decide on final funding.

Projects which are not awarded in one year may be refined and resubmitted the following year as long as HOME-ARP funding is still available.

Factors on which the applications will be evaluated and scored for HOME-ARP funding include:

- Need: How well the proposed project addresses critical needs aligned with HOME-ARP guidelines and specific needs of the jurisdiction.
- Solution: Is the project well-planned and detailed? Is the agency experienced in the type of project suggested?
- Timelines: Will the project be completed in a timely fashion so as to remain within the HOME-ARP period of performance.
- Equity and the Qualifying Populations: Does the agency provide clear and compelling commitment to serving the qualifying populations described in the HOME-ARP notice and to equity, providing service personalization and/or policy examples.
- Fair Housing: Do construction projects affirmatively further fair housing by situating new affordable rental developments in higher income areas or by situating non-congregate shelters close to services that unhoused people need most.

Describe whether the PJ will administer eligible activities directly:

LCG does not plan to administer any of the eligible activities directly. The eligible activities will be administered by the developers, service providers, subrecipients and/or contractors selected through the process described above. LCG will administer the eligible activities by maintaining oversight and monitoring of the selected entities as subrecipients carry out the eligible activities.

If any portion of the PJ's HOME-ARP administrative funds are provided to a subrecipient or contractor prior to HUD's acceptance of the HOME-ARP allocation plan because the subrecipient or contractor is responsible for the administration of the PJ's entire HOME-ARP grant, identify the subrecipient or contractor and describe its role and responsibilities in administering all of the PJ's HOME-ARP program:

Not applicable. No subrecipient or contractor is responsible for the administration of the PJ's entire HOME-ARP program.

Use of HOME-ARP Funding

	Funding Amount	Percent of the Grant	Statutory Limit
Supportive Services	\$ 400,001		
Acquisition and Development of Non-Congregate Shelters	\$ 800,640		
Tenant Based Rental Assistance (TBRA)	\$ -		
Development of Affordable Rental Housing	\$ 600,640		
Non-Profit Operating	\$ 112,500	5 %	5%
Non-Profit Capacity Building	\$ 112,500	5 %	5%
Administration and Planning	\$ 225,100	10 %	15%
Total HOME ARP Allocation	\$ 2,251,381		

Describe how the PJ will distribute HOME-ARP funds in accordance with its priority needs identified in its needs assessment and gap analysis:

Both the narrative responses and the data obtained via consultation and research indicate there is more need than the HOME-ARP allocation can relieve. As discussed above, the most pressing needs appear to be (a) emergency shelter for homeless residents, (b) deeply affordable housing for those who are currently sheltered or housed but need to move to a more permanently stable situation, and (c) services to assist those seeking housing to find it and to help those recently housed to maintain their new situation.

Describe how the characteristics of the shelter and housing inventory, service delivery system, and the needs identified in the gap analysis provided a rationale for the plan to fund eligible activities:

Characteristics of the shelter & housing inventory include the lack of sufficient shelter space to meet emergency needs of the homeless and lack of affordable housing to allow low- or moderate-income residents to maintain a stable housing situation. The demand for affordable housing is so high that residents on waiting lists for public housing and Section 8 vouchers can go years without having their needs met.

Characteristics of the service delivery system include supply chain issues, staffing challenges, and out-of-reach operational costs, which force the limitation of services rather than their expansion.

Allocation of funds was based on these identified needs and characteristics.

HOME-ARP Production Housing Goals

Estimate the number of affordable rental housing units for qualifying populations that the PJ will produce or support with its HOME-ARP allocation:

LCG intends to produce or support four (4) rental housing units with the HOME-ARP allocation. This calculation is based on assumptions in the Excel Workbook named [HUD's HOME-ARP Housing Production Goal Calculation Worksheet and FAQ](#). This number is subject to change based on obtaining more accurate local data and the responses received to the NOFOs.

Describe the specific affordable rental housing production goal that the PJ hopes to achieve and describe how the production goal will address the PJ's priority needs:

LCG's primary goal for affordable rental housing is to support transitional rental housing to assist in moving residents from emergency solutions into permanent solutions. A secondary goal would be to support deeply affordable rental housing. The balance between the goals will be determined by the responses received to the NOFOs.

Preferences

Identify whether the PJ intends to give preference to one or more qualifying populations or a subpopulation within one or more qualifying populations for any eligible activity or project:

At this time LCG has no plans to implement preferences. If new information comes to light which warrants implementing preferences, then LCG will amend its plan at that time.

If a preference was identified, explain how the use of a preference or method of prioritization will address the unmet need or gap in benefits and services received by individuals and families in the qualifying population or subpopulation of qualifying population, consistent with the PJ's needs assessment and gap analysis:

Not applicable because LCG has no plans to implement preferences at this time.

Limitations in a HOME-ARP rental housing or NCS project

Describe whether the PJ intends to limit eligibility for a HOME-ARP rental housing or NCS project to a particular qualifying population or specific subpopulation of a qualifying population identified in section IV.A of the Notice:

LGG does not intend to limit eligibility for a HOME-ARP rental housing or NCS project to a particular qualifying population or specific subpopulation of a qualifying population identified in section IV.A of the Notice unless (a) the entity requesting funding for that project can demonstrate the limitation is necessary to provide specialized supportive services needed by that population or subpopulation and (b) LCG is funding other similar projects without the limitation so that all qualifying populations may be served by the overall program.

If a PJ intends to implement a limitation, explain why the use of a limitation is necessary to address the unmet need or gap in benefits and services received by individuals and families in the qualifying population or subpopulation of qualifying population, consistent with the PJ's needs assessment and gap analysis:

Not applicable at this time.

If a limitation was identified, describe how the PJ will address the unmet needs or gaps in benefits and services of the other qualifying populations that are not included in the limitation through the use of HOME-ARP funds (i.e., through another of the PJ's HOME-ARP projects or activities):

Not applicable at this time.

HOME-ARP Refinancing Guidelines

- ***Establish a minimum level of rehabilitation per unit or a required ratio between rehabilitation and refinancing to demonstrate that rehabilitation of HOME-ARP rental housing is the primary eligible activity***

LCG does not intend to refinance existing debt with the HOME-ARP funds.

- ***Require a review of management practices to demonstrate that disinvestment in the property has not occurred; that the long-term needs of the project can be met; and that the feasibility of serving qualified populations for the minimum compliance period can be demonstrated.***

Not applicable at this time.

- ***State whether the new investment is being made to maintain current affordable units, create additional affordable units, or both.***

Not applicable at this time.

- ***Specify the required compliance period, whether it is the minimum 15 years or longer.***

Not applicable at this time.

- ***State that HOME-ARP funds cannot be used to refinance multifamily loans made or insured by any federal program, including CDBG.***

Not applicable at this time.

- ***Other requirements in the PJ's guidelines, if applicable:***

Not applicable at this time.

HUD 2022 Continuum of Care Homeless Assistance Programs Homeless Populations and Subpopulations

Important Notes About This Data: This report is based on point-in-time information provided to HUD by Continuums of Care (CoCs) as part of their CoC Program application process, per the Notice of Funding Availability (NOFA) for the Fiscal Year 2022 Continuum of Care Program Competition. CoCs are required to provide an unduplicated count of homeless persons according to HUD standards (explained in HUD's annual HIC and PIT count notice and HUD's Point-in-Time Count Methodology Guide <https://www.hudexchange.info/hdx/guides/pit-hic/>). HUD has conducted a limited data quality review but has not independently verified all of the information submitted by each CoC. The reader is therefore cautioned that since compliance with these standards may vary, the reliability and consistency of the homeless counts may also vary among CoCs. Additionally, a shift in the methodology a CoC uses to count the homeless may cause a change in homeless counts between reporting periods.

LA-500 Lafayette/Acadiana Regional CoC

Point-in Time Date: 2/21/2022

Summary by household type reported:

	Sheltered		Unsheltered	Total
	Emergency Shelter	Transitional Housing*		
Households without children ¹	106	18	50	174
Households with at least one adult and one child ²	42	9	0	51
Households with only children ³	0	0	0	0
Total Homeless Households	148	27	50	225

Summary of persons in each household type:

Persons in households without children¹	112	19	53	184
Persons Age 18 to 24	7	1	5	13
Persons Over Age 24	105	18	48	171
Persons in households with at least one adult and one child²	143	24	0	167
Children Under Age 18	87	13	0	100
Persons Age 18 to 24	6	2	0	8
Persons Over Age 24	50	9	0	59
Persons in households with only children³	0	0	0	0
Total Homeless Persons	255	43	53	351

Demographic summary by ethnicity:

* Safe Haven programs are included in the Transitional Housing category.

¹This category includes single adults, adult couples with no children, and groups of adults.

²This category includes households with one adult and at least one child under age 18.

³This category includes persons under age 18, including children in one-child households, adolescent parents and their children, adolescent siblings, or other household configurations composed only of children.

HUD 2022 Continuum of Care Homeless Assistance Programs Housing Inventory Count Report

Important Notes About This Data: This report is based on information provided to HUD by Continuums of Care in the 2022 Continuum of Care application and has not been independently verified by HUD. CoCs were instructed to collect data for a point-in-time during the last week of January 2022. The data presented in this report are limited to beds available for occupancy on the night of the count (beds under development are excluded). For inquiries about data reported by a specific Continuum of Care, please contact that jurisdiction directly. CoC contact information can be found on the HUD Exchange web site (<https://www.hudexchange.info/grantees/>). In some cases, a community may have listed a program in the Housing Inventory Count but did not provide sufficient information/detail for HUD to understand the number of beds/units available and the target population served. Those programs have been removed for the purposes of this report.

CoC Number: LA-500

CoC Name: Lafayette/Acadiana Regional CoC

Summary of all available beds reported by Continuum of Care:

	Family Units ¹	Family Beds ¹	Adult-Only Beds	Child-Only Beds	Total Yr-Round Beds	Seasonal	Overflow / Voucher	Subset of Total Bed Inventory		
								Chronic Beds ²	Veteran Beds ³	Youth Beds ³
Emergency, Safe Haven and Transitional Housing	54	175	143	0	318	0	4	n/a	22	0
Emergency Shelter	44	148	118	0	266	0	4	n/a	4	0
Safe Haven	0	0	10	0	10	n/a	n/a	n/a	10	0

Permanent Supportive Housing*	21	82	279	0	361	n/a	n/a	123	103	0
Rapid Re-Housing	45	158	137	0	295	n/a	n/a	n/a	2	0
Other Permanent Housing**	28	106	29	0	135	n/a	n/a	n/a	0	0
Grand Total	148	521	588	0	1,109	0	4	123	127	0

Available CoC beds reported by Program Type:

*HUD's point-in-time count does not include persons or beds in Permanent Supportive Housing as currently homeless.

**Other Permanent Housing (OPH) - consists of PH - Housing with Services (no disability required for entry) and PH - Housing Only, as identified in the 2022 HMIS Data Standards.

¹Family Units and Family Beds categories include units and beds for households with one adult and at least one child under age 18.

²Chronic Beds include beds in Permanent Supportive Housing dedicated to serve chronically homeless persons.

³Veteran Beds and Youth Beds, respectively, include beds dedicated to serve homeless veterans and their families, and include beds dedicated to housing homeless youth age 24 and younger.

WEB ADDRESS	https://data.census.gov/table?q=Lafayette+Parish,+Louisiana&t=Income+(Households,+Families,+Individuals)&tid=ACSST1Y2021.S1901
TABLE NOTES	<p>Although the American Community Survey (ACS) produces population, demographic and housing unit estimates, it is the Census Bureau's Population Estimates Program that produces and disseminates the official estimates of the population for the nation, states, counties, cities, and towns and estimates of housing units for states and counties.</p> <p>Supporting documentation on code lists, subject definitions, data accuracy, and statistical testing can be found on the American Community Survey website in the Technical Documentation section.</p> <p>Sample size and data quality measures (including coverage rates, allocation rates, and response rates) can be found on the American Community Survey website in the Methodology section.</p> <p>Source: U.S. Census Bureau, 2021 American Community Survey 1-Year Estimates</p> <p>Data are based on a sample and are subject to sampling variability. The degree of uncertainty for an estimate arising from sampling variability is represented through the use of a margin of error. The value shown here is the 90 percent margin of error. The margin of error can be interpreted roughly as providing a 90 percent probability that the interval defined by the estimate minus the margin of error and the estimate plus the margin of error (the lower and upper confidence bounds) contains the true value. In addition to sampling variability, the ACS estimates are subject to nonsampling error (for a discussion of nonsampling variability, see ACS Technical Documentation). The effect of nonsampling error is not represented in these tables.</p> <p>When information is missing or inconsistent, the Census Bureau logically assigns an acceptable value using the response to a related question or questions. If a logical assignment is not possible, data are filled using a statistical process called allocation, which uses a similar individual or household to provide a donor value. The "Allocated" section is the number of respondents who received an allocated value for a particular subject.</p> <p>The categories for relationship to householder were revised in 2019. For more information see Revisions to the Relationship to Household item.</p>

Table: ACSST1Y2021.S1901

	The 2021 American Community Survey (ACS) data generally reflect the March 2020 Office of Management and Budget (OMB) delineations of metropolitan and micropolitan statistical areas. In certain instances the names, codes, and boundaries of the principal cities shown in ACS tables may differ from the OMB delineations due to differences in the effective dates of the geographic entities.
	Estimates of urban and rural populations, housing units, and characteristics reflect boundaries of urban areas defined based on Census 2010 data. As a result, data for urban and rural areas from the ACS do not necessarily reflect the results of ongoing urbanization.
	Explanation of Symbols:- The estimate could not be computed because there were an insufficient number of sample observations. For a ratio of medians estimate, one or both of the median estimates falls in the lowest interval or highest interval of an open-ended distribution. For a 5-year median estimate, the margin of error associated with a median was larger than the median itself.N The estimate or margin of error cannot be displayed because there were an insufficient number of sample cases in the selected geographic area. (X) The estimate or margin of error is not applicable or not available.median- The median falls in the lowest interval of an open-ended distribution (for example "2,500-")median+ The median falls in the highest interval of an open-ended distribution (for example "250,000+").** The margin of error could not be computed because there were an insufficient number of sample observations.*** The margin of error could not be computed because the median falls in the lowest interval or highest interval of an open-ended distribution.***** A margin of error is not appropriate because the corresponding estimate is controlled to an independent population or housing estimate. Effectively, the corresponding estimate has no sampling error and the margin of error may be treated as zero.

1. The four housing problems are: incomplete kitchen facilities; incomplete plumbing facilities more than 1 person per room; and cost burden greater than 30%.
2. The four severe housing problems are: incomplete kitchen facilities; incomplete plumbing facilities; more than 1 person per room; and cost burden greater than 50%.
3. Cost burden is the ratio of housing costs to household income. For renters- housing cost is gross rent (contract rent plus utilities)
For owners- housing cost is "select monthly owner costs" which includes mortgage payment; utilities; association fees; insurance; and real estate taxes.

MEDIA ADVISORY – FOR IMMEDIATE RELEASE. | January 17, 2023

STATEMENT ADDRESSING VISIBLE HOMELESSNESS

Lafayette, LA – Acadiana Regional Coalition on Homelessness and Housing (ARCH)'s mission is to ensure that everyone in Acadiana has access to safe, affordable, stable housing and that all episodes of homelessness are rare, brief, and non-recurring. ARCH is the HUD-designated Continuum of Care lead agency for Acadiana, and the ARCH coalition is comprised of over three dozen member agencies working together to prioritize permanent housing, share data collection and management, offer quality assurance, and ideate and implement strategies to realize ARCH's mission.

Acadiana residents have noticed an increase in visible homelessness over the past several months. The number of people experiencing homelessness outside of shelters is rising, with some living in encampments, wooded areas, and other locations not meant for human habitation. They include children, the elderly, the sick. This increase is happening across the country, in both cities and rural areas. People in Acadiana, too, are in need. Our neighbors are struggling. Since January of 2020, we have survived a pandemic and eight weather related disaster declarations. We have seen rental prices increase at its fastest rate since 1986, while businesses and nonprofit organizations suffer from supply chain issues, staffing challenges, and out of reach operational costs. Concurrently, and consequently, we have seen a dramatic decrease in available shelter beds in Acadiana, today nearly 40% fewer than pre pandemic levels. According to a 2022 survey, 63% of renting households in Louisiana are behind on payments and report that they are somewhat likely or very likely to face eviction in the coming months. With rental prices out of reach for many Acadiana residents, finding affordable homes is getting harder and harder.

We share this information in order to provide context to the growing issue of visible homelessness and the frustration that community leaders and residents have recently voiced.

When the end of December brought freezing temperatures to our area, the need for shelter and other resources increased. The Continuum of Care responded, with street outreach workers distributing information and other needed supplies to all areas of Acadiana, and many already full shelters temporarily surging their occupancy. Catholic Charities of Acadiana actively sought temporary permission to increase the legal number of occupants for their current primary shelter, and ARCH received a small emergency grant to place families and others for whom non congregate shelter is not appropriate in motel rooms. Together, hundreds of people were able to stay warm and safe during those cold nights. Unfortunately, those solutions were temporary and not sustainable, logistically or financially.

We understand the frustration of the community. We have spent much of the last two and a half years advocating for the investment in solutions that work to prevent and end homelessness. What prevents and ends homelessness is a community comprised of social service organizations, government entities, philanthropic organizations, and individuals working collectively to meet the needs of all of its citizens. It is the smart use of taxpayer money and should be the strategy of choice.

Those who are interested in being part of the solution and offering a helping hand to their neighbors in need may do so in any of the following ways:

- **Use your voice:** Ask elected officials at the local, state, and national levels to provide resources to meet the basic needs of every citizen. Charities and faith-based organizations cannot bear the burden of meeting the basic needs for food and shelter within a community. Individual donations alone will never be an adequate response to problems as complex and multi-faceted as housing instability and food insecurity. We must set policies and allocate governmental funding to solutions.
- **Give financially:** Sometimes this may mean giving directly to those in need. Other times it is best to give to a reputable nonprofit whose efforts you support. Each person should choose the manner of giving that is right for them.
- **Invest your time:** Attend ARCH monthly public meetings on the fourth Thursdays at noon. Volunteer with a nonprofit or faith-based group that is doing good work. Donate your time and gently used household goods to the ARCH ShareHouse so that those who are starting over have the basic items that they need to be successful.

We share the frustrations of the people of Acadiana. Simply put, no factors matter more to visible and hidden homelessness than access to emergency shelter and permanent housing. We are all one loss of a job, eviction, abusive relationship, unintended addiction, or serious health issue away from needing the help of our neighbors. Let's get people safe and housed.

Elsa Dimitriadis
Executive Director, ARCH

Data Note: Households with children include any households with people under age 18, related or not. Multigenerational households are families with 3 or more parent-child relationships. Unmarried partner households are usually classified as nonfamily households unless there is another member of the household related to the householder. Multigenerational and unmarried partner households are reported only to the tract level. Esri estimated block group data, which is used to estimate polygons or non-standard geography.

Spending Potential Index	95

Data Note: Consumer spending shows the amount spent on a variety of goods and services by households that reside in the area. Expenditures are shown by broad budget categories that are not mutually exclusive. Consumer spending does not equal business revenue. Total and Average Amount Spent Per Household represent annual figures. The Spending Potential Index represents the amount spent in the area relative to a national average of 100.

Source: Consumer Spending data are derived from the 2018 and 2019 Consumer Expenditure Surveys, Bureau of Labor Statistics. Esri.

	A	B	C	D
1				
2	The ALICE Methodology is available at www.UnitedForALICE.org/Methodology	American Community Survey estimates: data for counties with populations over 65,000 are 1-year estimates; for populations between 20,000 and 65,000, data are 3-year estimates; and for populations below 20,000, data are 5-year estimates. Because there was not a 5-year survey for 2007, there is no data for the least populated counties in 2007. For statewide totals, the numbers from counties are extrapolated from overall percentages. Starting in 2014, there is no 3-year survey data, so that only 1- and 5-year estimates are used in the ALICE calculations.		Note: When performing your own calculations with the data provided in this spreadsheet, you may notice that the numbers are up to 1% different (+/-) from what is presented in the written report depending on your rounding convention. We present rounded numbers in the report to make it easier for the general audience to read and understand.

The HOME-ARP Grant Agreement (the "Agreement") between the Department of Housing and Urban Development (HUD) and the Grantee is made pursuant to the authority of the HOME Investment Partnerships Act (42 U.S.C. 12701 et seq.) and Section 3205 of the American Rescue Plan (P.L. 117-2) (ARP). HUD regulations at 24 CFR part 92 (as may be amended from time to time), the CPD Notice entitled "Requirements for the Use of Funds in the HOME-American Rescue Plan Program" (HOME-ARP Implementation Notice), the Grantee's HOME-ARP allocation plan (as of the date of HUD's approval), and this HOME-ARP Grant Agreement, form HUD-40093a, including any special conditions (in accordance with 2 CFR 200.208), constitute part of this Agreement. HUD's payment of funds under this Agreement is subject to the Grantee's compliance with HUD's electronic funds transfer and information reporting procedures issued pursuant to 24 CFR 92.502 and the HOME-ARP Implementation Notice. To the extent authorized by HUD regulations at 24 CFR part 92, HUD may, by its execution of an amendment, deobligate funds previously awarded to the Grantee without the Grantee's execution of the amendment or other consent. The Grantee agrees that funds invested in HOME-ARP activities under the HOME-ARP Implementation Notice are repayable in accordance with the requirements of the HOME-ARP Implementation Notice. The Grantee agrees to assume all of the responsibility for environmental review, decision making, and actions, as specified and required in regulation at 24 CFR 92.352 and 24 CFR Part 58, as well as the HOME-ARP Implementation Notice.

The Grantee must comply with the applicable requirements at 2 CFR part 200, as amended, that are incorporated by the program regulations and the HOME-ARP Implementation Notice, as may be amended from time to time. Where any previous or future amendments to 2 CFR part 200 replace or renumber sections of part 200 that are cited specifically in the program regulations or HOME-ARP Implementation Notice, activities carried out under the grant after the effective date of the 2 CFR part 200 amendments will be governed by the 2 CFR part 200 requirements, as replaced or renumbered by the part 200 amendments.

The Grantee shall comply with requirements established by the Office of Management and Budget (OMB) concerning the Universal Numbering System and System for Award Management (SAM) requirements in Appendix I to 2 CFR part 200, and the Federal Funding Accountability and Transparency Act (FFATA) in Appendix A to 2 CFR part 170.

Funds remaining in the grantee's Treasury account after the end of the budget period will be cancelled and thereafter not available for obligation or expenditure for any purpose. Per 31 U.S.C. 1552, the Grantee shall not incur any obligations to be paid with such assistance after the end of the Budget Period.

13. For the U.S. Department of HUD (Name and Title of Authorized Official) Cheryl S. Breaux, CPD Director	14. Signature 	15. Date 9/22/2021

20. Funding Information: HOME ARP
Source of Funds: 2021
Appropriation Code: 861/50205
PAS Code: HMX
Amount: \$2,251,381.00

21. Additional Requirements: These additional requirements are attached and incorporated into this Agreement. The Grantee agrees to these additional requirements on the use of the funds in 7., as may be amended from time to time by the Secretary.

- a) As of the Federal Award Date, the Grantee may use up to the amount identified in 7.a. of this Agreement for eligible administrative and planning costs in accordance with the HOME-ARP Implementation Notice.
- b) Until the date of HUD's acceptance of the Grantee's HOME-ARP allocation plan, the Grantee agrees that it will not obligate or expend any funds for non-administrative and planning costs, in accordance with the HOME-ARP Implementation Notice.
- c) In accordance with the HOME-ARP Implementation Notice, as of the date of acceptance by HUD of the Grantee's HOME-ARP allocation plan, HUD shall make the amount identified in line 7. of this Agreement available to the Grantee.
- d) If the Grantee does not submit a HOME-ARP allocation plan or if the Grantee's HOME-ARP allocation plan is not accepted within a reasonable period of time, as determined by HUD, the Grantee agrees that all costs incurred and HOME-ARP funds expended by the Grantee will be ineligible costs and will be repaid with non-Federal funds.

ASSURANCES - NON-CONSTRUCTION PROGRAMS

Public reporting burden for this collection of information is estimated to average 15 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0040), Washington, DC 20503.

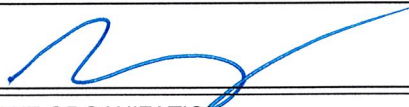

PLEASE DO NOT RETURN YOUR COMPLETED FORM TO THE OFFICE OF MANAGEMENT AND BUDGET. SEND IT TO THE ADDRESS PROVIDED BY THE SPONSORING AGENCY.

NOTE: Certain of these assurances may not be applicable to your project or program. If you have questions, please contact the awarding agency. Further, certain Federal awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant, I certify that the applicant:

1. Has the legal authority to apply for Federal assistance and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project cost) to ensure proper planning, management and completion of the project described in this application.
2. Will give the awarding agency, the Comptroller General of the United States and, if appropriate, the State, through any authorized representative, access to and the right to examine all records, books, papers, or documents related to the award; and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives.
3. Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.
4. Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.
5. Will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. §§4728-4763) relating to prescribed standards for merit systems for programs funded under one of the 19 statutes or regulations specified in Appendix A of OPM's Standards for a Merit System of Personnel Administration (5 C.F.R. 900, Subpart F).
6. Will comply with all Federal statutes relating to nondiscrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §794), which prohibits discrimination on the basis of handicaps; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. §§6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) §§523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. §§290 dd-3 and 290 ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records; (h) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (i) any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and, (j) the requirements of any other nondiscrimination statute(s) which may apply to the application.
7. Will comply, or has already complied, with the requirements of Titles II and III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (P.L. 91-646) which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal or federally-assisted programs. These requirements apply to all interests in real property acquired for project purposes regardless of Federal participation in purchases.
8. Will comply, as applicable, with provisions of the Hatch Act (5 U.S.C. §§1501-1508 and 7324-7328) which limit the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.

9. Will comply, as applicable, with the provisions of the Davis-Bacon Act (40 U.S.C. §§276a to 276a-7), the Copeland Act (40 U.S.C. §276c and 18 U.S.C. §874), and the Contract Work Hours and Safety Standards Act (40 U.S.C. §§327-333), regarding labor standards for federally-assisted construction subagreements.
10. Will comply, if applicable, with flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (P.L. 93-234) which requires recipients in a special flood hazard area to participate in the program and to purchase flood insurance if the total cost of insurable construction and acquisition is \$10,000 or more.
11. Will comply with environmental standards which may be prescribed pursuant to the following: (a) institution of environmental quality control measures under the National Environmental Policy Act of 1969 (P.L. 91-190) and Executive Order (EO) 11514; (b) notification of violating facilities pursuant to EO 11738; (c) protection of wetlands pursuant to EO 11990; (d) evaluation of flood hazards in floodplains in accordance with EO 11988; (e) assurance of project consistency with the approved State management program developed under the Coastal Zone Management Act of 1972 (16 U.S.C. §§1451 et seq.); (f) conformity of Federal actions to State (Clean Air) Implementation Plans under Section 176(c) of the Clean Air Act of 1955, as amended (42 U.S.C. §§7401 et seq.); (g) protection of underground sources of drinking water under the Safe Drinking Water Act of 1974, as amended (P.L. 93-523); and, (h) protection of endangered species under the Endangered Species Act of 1973, as amended (P.L. 93-205).
12. Will comply with the Wild and Scenic Rivers Act of 1968 (16 U.S.C. §§1271 et seq.) related to protecting components or potential components of the national wild and scenic rivers system.
13. Will assist the awarding agency in assuring compliance with Section 106 of the National Historic Preservation Act of 1966, as amended (16 U.S.C. §470), EO 11593 (identification and protection of historic properties), and the Archaeological and Historic Preservation Act of 1974 (16 U.S.C. §§469a-1 et seq.).
14. Will comply with P.L. 93-348 regarding the protection of human subjects involved in research, development, and related activities supported by this award of assistance.
15. Will comply with the Laboratory Animal Welfare Act of 1966 (P.L. 89-544, as amended, 7 U.S.C. §§2131 et seq.) pertaining to the care, handling, and treatment of warm blooded animals held for research, teaching, or other activities supported by this award of assistance.
16. Will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§4801 et seq.) which prohibits the use of lead-based paint in construction or rehabilitation of residence structures.
17. Will cause to be performed the required financial and compliance audits in accordance with the Single Audit Act Amendments of 1996 and OMB Circular No. A-133, "Audits of States, Local Governments, and Non-Profit Organizations."
18. Will comply with all applicable requirements of all other Federal laws, executive orders, regulations, and policies governing this program.
19. Will comply with the requirements of Section 106(g) of the Trafficking Victims Protection Act (TVPA) of 2000, as amended (22 U.S.C. 7104) which prohibits grant award recipients or a sub-recipient from (1) Engaging in severe forms of trafficking in persons during the period of time that the award is in effect (2) Procuring a commercial sex act during the period of time that the award is in effect or (3) Using forced labor in the performance of the award or subawards under the award.

Further, certain Federal assistance awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant, I certify that the applicant:

1. Has the legal authority to apply for Federal assistance, and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project costs) to ensure proper planning, management and completion of project described in this application.
2. Will give the awarding agency, the Comptroller General of the United States and, if appropriate, the State, the right to examine all records, books, papers, or documents related to the assistance; and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives.
3. Will not dispose of, modify the use of, or change the terms of the real property title or other interest in the site and facilities without permission and instructions from the awarding agency. Will record the Federal awarding agency directives and will include a covenant in the title of real property acquired in whole or in part with Federal assistance funds to assure non-discrimination during the useful life of the project.
4. Will comply with the requirements of the assistance awarding agency with regard to the drafting, review and approval of construction plans and specifications.
5. Will provide and maintain competent and adequate engineering supervision at the construction site to ensure that the complete work conforms with the approved plans and specifications and will furnish progressive reports and such other information as may be required by the assistance awarding agency or State.
6. Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.
7. Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.
8. Will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. §§4728-4763) relating to prescribed standards of merit systems for programs funded under one of the 19 statutes or regulations specified in Appendix A of OPM's Standards for a Merit System of Personnel Administration (5 C.F.R. 900, Subpart F).
9. Will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§4801 et seq.) which prohibits the use of lead-based paint in construction or rehabilitation of residence structures.
10. Will comply with all Federal statutes relating to non-discrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§1681 1683, and 1685-1686), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §794), which prohibits discrimination on the basis of handicaps; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. §§6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) §§523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. §§290 dd-3 and 290 ee 3), as amended, relating to confidentiality of alcohol and drug abuse patient records; (h) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (i) any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and (j) the requirements of any other nondiscrimination statute(s) which may apply to the application.

11. Will comply, or has already complied, with the requirements of Titles II and III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (P.L. 91-646) which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal and federally-assisted programs. These requirements apply to all interests in real property acquired for project purposes regardless of Federal participation in purchases.
12. Will comply with the provisions of the Hatch Act (5 U.S.C. §§1501-1508 and 7324-7328) which limit the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.
13. Will comply, as applicable, with the provisions of the Davis-Bacon Act (40 U.S.C. §§276a to 276a-7), the Copeland Act (40 U.S.C. §276c and 18 U.S.C. §874), and the Contract Work Hours and Safety Standards Act (40 U.S.C. §§327-333) regarding labor standards for federally-assisted construction subagreements.
14. Will comply with flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (P.L. 93-234) which requires recipients in a special flood hazard area to participate in the program and to purchase flood insurance if the total cost of insurable construction and acquisition is \$10,000 or more.
15. Will comply with environmental standards which may be prescribed pursuant to the following: (a) institution of environmental quality control measures under the National Environmental Policy Act of 1969 (P.L. 91-190) and Executive Order (EO) 11514; (b) notification of violating facilities pursuant to EO 11738; (c) protection of wetlands pursuant to EO 11990; (d) evaluation of flood hazards in floodplains in accordance with EO 11988; (e) assurance of project consistency with the approved State management program developed under the Coastal Zone Management Act of 1972 (16 U.S.C. §§1451 et seq.); (f) conformity of Federal actions to State (Clean Air) implementation Plans under Section 176(c) of the Clean Air Act of 1955, as amended (42 U.S.C. §§7401 et seq.); (g) protection of underground sources of drinking water under the Safe Drinking Water Act of 1974, as amended (P.L. 93-523); and, (h) protection of endangered species under the Endangered Species Act of 1973, as amended (P.L. 93-205).
16. Will comply with the Wild and Scenic Rivers Act of 1968 (16 U.S.C. §§1271 et seq.) related to protecting components or potential components of the national wild and scenic rivers system.
17. Will assist the awarding agency in assuring compliance with Section 106 of the National Historic Preservation Act of 1966, as amended (16 U.S.C. §470), EO 11593 (identification and protection of historic properties), and the Archaeological and Historic Preservation Act of 1974 (16 U.S.C. §§469a-1 et seq).
18. Will cause to be performed the required financial and compliance audits in accordance with the Single Audit Act Amendments of 1996 and OMB Circular No. A-133, "Audits of States, Local Governments, and Non-Profit Organizations."
19. Will comply with all applicable requirements of all other Federal laws, executive orders, regulations, and policies governing this program.
20. Will comply with the requirements of Section 106(g) of the Trafficking Victims Protection Act (TVPA) of 2000, as amended (22 U.S.C. 7104) which prohibits grant award recipients or a sub-recipient from (1) Engaging in severe forms of trafficking in persons during the period of time that the award is in effect (2) Procuring a commercial sex act during the period of time that the award is in effect or (3) Using forced labor in the performance of the award or subawards under the award.

HOME-ARP CERTIFICATIONS

In accordance with the applicable statutes and the regulations governing the consolidated plan regulations, the participating jurisdiction certifies that:

Affirmatively Further Fair Housing --The jurisdiction will affirmatively further fair housing pursuant to 24 CFR 5.151 and 5.152.

Uniform Relocation Act and Anti-displacement and Relocation Plan --It will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, (42 U.S.C. 4601-4655) and implementing regulations at 49 CFR Part 24. It will comply with the acquisition and relocation requirements contained in the HOME-ARP Notice, including the revised one-for-one replacement requirements. It has in effect and is following a residential anti-displacement and relocation assistance plan required under 24 CFR Part 42, which incorporates the requirements of the HOME-ARP Notice. It will follow its residential anti-displacement and relocation assistance plan in connection with any activity assisted with funding under the HOME-ARP program.

Anti-Lobbying --To the best of the jurisdiction's knowledge and belief:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;
2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions; and
3. It will require that the language of paragraph 1 and 2 of this anti-lobbying certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

Authority of Jurisdiction --The consolidated plan is authorized under State and local law (as applicable) and the jurisdiction possesses the legal authority to carry out the programs for which it is seeking funding, in accordance with applicable HUD regulations and program requirements.

Section 3 --It will comply with section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) and implementing regulations at 24 CFR Part 75.

HOME-ARP Certification --It will use HOME-ARP funds consistent with Section 3205 of the American Rescue Plan Act of 2021 (P.L. 117-2) and the CPD Notice: *Requirements for the Use of Funds in the HOME-American Rescue Plan Program*, as may be amended by HUD, for eligible activities and costs, including the HOME-ARP Notice requirements that activities are consistent with its accepted HOME-ARP allocation plan and that HOME-ARP funds will not be used for prohibited activities or costs, as described in the HOME-ARP Notice.

PUBLIC NOTICE

Public notice is hereby given that the Lafayette City-Parish Consolidated Government (LCG), Community Development & Planning Department (CDP) will conduct

**Public Hearing #1 for the
2023/2027 Consolidated Plan
and HOME-ARP Allocation Plan
Thursday, February 16, 2023 at 5:30 pm in
The Clifton Chenier Center Auditorium
220 West Willow Street, Building C, Lafayette, Louisiana**

The LCG, CDP is preparing a five-year plan that will govern the expenditure of U. S. Department of Housing and Urban Development (HUD) Community Development Block Grant (CDBG) and HOME Investment Partnerships (HOME) entitlement grants within the jurisdiction of the LCG. Public hearing #1 is held to discuss the housing and community development needs of the LCG's low/moderate-income and "special needs" households. Special Needs households include: 1) the elderly and frail elderly; 2) homeless individuals and families; 3) "at-risk" youth; 4) persons with substance addictions; 5) persons living with HIV/AIDS and their families; and 6) persons with disabilities (physical, mental, and developmental).

Issues covered by the Consolidated Plan include: Low/Mod-Income Housing (rental and owner); Homelessness (outreach, supportive services, emergency/transitional/permanent housing, employment/skills training needs); Public Facility Needs (senior, youth, and child care centers, neighborhood facilities, parks and recreation facilities); Infrastructure Improvements (solid waste disposal, flood drain, water, sidewalks, sewers, streets, asbestos removal); Public Service Needs (senior, handicap, youth, transportation, substance abuse and other public services); Economic Development (commercial/industrial rehabilitation, infrastructure and other improvements, micro-business development and technical assistance); Other Needs (energy efficiency improvements, lead-based paint hazards, accessibility needs, historic preservation and planning).

Please Note - Due to years of federal entitlement fund reductions, the LCG will likely focus its limited CDBG and HOME funds on its most documented and pressing need – low/moderate-income housing. Public services cannot be considered for funding since the LCG's Neighborhood Counseling Services Program currently expends the maximum amount allowed by federal regulation for CDBG public services. If additional funding becomes available, the LCG may amend its Consolidated Plan so that other priority needs can be addressed.

The other issues to be discussed at Public Hearing #1 include: 1) prior year's accomplishments; 2) housing and community development needs and the types of activities that will be considered for federal entitlement funding; 3) the application process for LCG entitlement funding; 4) the anticipated availability of federal entitlement funding (including prior year fund balance) and 5) the HOME-ARP Allocation Plan. All interested parties are encouraged to participate in this planning process. Translators and/or transportation for handicapped citizens may be arranged if requested by 5:00 p.m., February 6, 2023. For more information, or to request handicap transportation or translators, please call CDP at (337) 291-8422.

Also, the LCG, CDP is amending its HUD 2021 Annual Action Plan. This Plan identifies the types of activities that were funded with CDBG and HOME entitlement funds during LCG's Program Year 2021 (October 1, 2021 through September 30, 2022). All activities funded under the 2021 Annual Action Plan address the priority needs identified in LCG's 2018/2022 Five-Year Consolidated Plan.

The Amendment to the 2021 Annual Action Plan also includes LCG, CDP's HOME-ARP Allocation Plan for the additional HOME-ARP funds allocated to LCG in PY2021. The purpose of the HOME-ARP Allocation Plan is to address the needs of LCG's citizens who are 1) homeless; 2) at risk of homelessness; 3) fleeing, or attempting to flee, domestic violence, dating violence, sexual assault, stalking, or human trafficking; and 4) other households requiring services or housing assistance to prevent homelessness, or who are at greatest risk of housing instability as defined in the HOME-ARP Notice CDP-21-10.

The LCG, CDP will post its 2021 Annual Action Plan Amendment (with the HOME-ARP Allocation Plan) for a 30-day public review and comment period beginning February 12, 2023 and ending March 14, 2023. Copies of the 2021 Annual Action Plan Amendment will be available at the following locations: Lafayette Public Libraries (2): the Main Branch – 301 West Congress St., Lafayette, LA and the Clifton Chenier Center Branch (Town Hall, Building C), – 202 West Willow Street, Lafayette, LA; LCG, CDP, Grants Administration Office, 705 West University Avenue, (Second Floor, Lafayette City-Parish Hall), Lafayette, LA; Lafayette City-Parish Council Office, 705 West University Avenue, (First Floor, Lafayette City-Parish Hall), Lafayette, LA; The Lafayette Housing Authority, 115 Kattie Drive (Administration Office), Lafayette, LA; and the CDP's website - <https://www.lafayettela.gov/DP/consolidated-planning>. Public comments may be left at each of the viewing locations, or they may be submitted to the LCG, CDP by: mail – LCG, Community Development & Planning Department (Attn: Milton G. Resweber), P.O. Box 4017-C, Lafayette, LA 70502; or email – mresweber@lafayettela.gov. The CDP must receive written public comments by 5pm March 14, 2023.

Note to Potential LCG Entitlement Applicants:

Sample applications for LCG entitlement funding will be available at this hearing. Applicants must apply for the funding online at <https://portal.neighborlysoftware.com/LAFAYETTELA/Participant>. All non-profit applicants will be required to submit pre-application information to the CDP by 5pm, Friday, March 10, 2023. The pre-application information will be used to determine activity eligibility. Applicants with eligible activities will be required to submit a complete application no later than 5pm on Friday, April 21, 2023.

In order to expedite the application process for federal entitlement funding, HUD has recommended that **Phase I Environmental Reviews** be completed as early as possible by agencies applying for funds for site-specific activities. In accordance with HUD's recommendation, the CDP may require that a Phase I Environmental Review be included in site-specific applications for LCG federal entitlement funding. Site-specific applications may not be considered complete and may not be considered for funding without this documentation. Phase I Environmental Review and applicable photographs will be due in the CDP office by 5pm on Friday, April 21, 2023. If your agency is considering applying for LCG federal entitlement funds, please contact the LCG, CDP at 337-291-8422 as soon as possible to discuss the requirements for this environmental review.

For additional information regarding the 2023/2027 Consolidated Plan Public Hearing, 2021 Annual Action Plan Amendment or the HOME-ARP Allocations Plan, please call 337-291-8422.

Bids and Proposals

NOTICE TO BIDDERS

Notice is hereby given that sealed bids will be received either electronically at <https://lcmprod-lm01.cloud.infor.com:1442/lmscm/SourcingSupplier/hml/SourcingSupplier?csk.SupplierGroup=100&csk.CHP=lmscm> or in the office of the Purchasing Division at the Lafayette Consolidated Government Building, located at 705 West University Avenue, Lafayette, Louisiana, until 2:00 pm Central Time on the 16th day of February, 2023 for the following:

AIR HANDLING UNIT REPLACEMENTS AT HEYMANN PERFORMING ARTS CENTER

and will, shortly thereafter, be opened and read aloud in the Office of Purchasing located at 705 West University Avenue, Lafayette, LA. Bids received after the above specified time for opening shall not be considered and shall be returned unopened to the sender. Due to social distancing practices in place in response to COVID-19 and limited meeting spaces, bidders are highly encouraged to call into the bid openings at the following phone number 337-291-5100.

Scope of Services: The scope of work shall consist of, but not limited to, the removal and replacement of two (2) existing air handling units along with associated ductwork, piping and controls. All work shall be completed within Two Hundred Ten (210) calendar days from issuance of Notice to Proceed.

Bids and Proposals

in good standing licensed to write bid bonds which is either domiciled in Louisiana or owned by Louisiana residents. The bid bond shall be issued by a company licensed to do business in Louisiana. The certified check, cashier's check, or bid bond shall be given as a guarantee that the bidder shall execute the contract, should it be awarded to him, in conformity with the contract documents within ten (10) days.

No bidder may withdraw his bid for at least forty-five (45) days after the time scheduled for the opening of bids. Each bid shall be submitted only on the bid form provided with the specifications. The successful bidder will be required to execute performance and labor and material payment bonds in the full amount of the contract as more fully defined in the bid documents.

Bids will be evaluated by the Purchaser based on the lowest responsible and responsive bid submitted which is also in compliance with the bid documents. The Lafayette Consolidated Government reserves the right to reject any and all bids for just cause in accordance with LA R.S. 38:2214.B.

Bidders or firms submitting bids in the amount of \$50,000.00 or more shall certify that they are licensed contractors under Chapter 24 of Title 37 of the Louisiana Revised Statutes of 1950 and show their license number on the front of the sealed envelope in which their bid is enclosed. Contractors shall be licensed for the classification of "MECHANICAL WORK." Bids in the amounts specified above which have not bid in accordance with

Bids and Proposals

front and back of the check or bid bond shall be included with the electronic bid. At the time of the bid date, Attendees shall be required to comply with requirements mandated by Lafayette Consolidated Government regarding Covid 19 procedures and policies.

Bids must be signed in accordance with LRS 38:2212(B)5. A Corporate Resolution or Certificate of Authority authorizing the person signing the bid is required to be submitted with bid. Failure to submit a Corporate Resolution or Certificate of Authority with the bid shall be cause for rejection of bid.

Copies of the bidding documents are available at the Purchasing Office located at 705 West University Avenue, Lafayette, LA 70506. Telephone number (337) 291-7187 (Attn: Thomas Metrejean). Bidding documents shall be available until twenty-four (24) hours before the bid opening date.

Bidder must be properly licensed in accordance with LRS 32:1254 and must include valid copy of said license in the bid submitted in accordance with LA 38:2212.8.

Each bid shall be accompanied by a certified check, cashier's check in the amount of \$500.00 or bid bond payable to the Lafayette Consolidated Government, the amount of which shall be five percent (5%) of the base bid plus additive alternates. If a bid bond is used, it shall be written by a surety or insurance company currently on the U.S. Department of the Treasury Financial Service list of ap-

Bids and Proposals

NAMES ONLY read aloud in the Office of Purchasing located at 705 West University Avenue, Lafayette, LA. Proposals received after the above specified time for opening shall not be considered and shall be returned unopened to the sender. Sealed proposals may be hand carried or mailed to the address listed above.

Copies of the proposal specifications are available to **VIEW ONLY** on the website at <https://lcmprod-lm01.cloud.infor.com:1442/lmscm/SourcingSupplier/hml/SourcingSupplier?csk.SupplierGroup=100&csk.CHP=lmscm>.

Scope of Work: Proposal shall include offerings for sale, donation or lease to Lafayette Consolidated Government for construction of a new state of the art performing arts center to replace the Heymann Center.

Vendor may request an electronic copy of the RFP by email to Tara Cazares at tcazares@lafayettela.gov or by phone at the number below.

Vendors shall submit one (1) marked Original, four (4) exact copies marked Copy, one (1) electronic version and one (1) Redacted Copy of the proposal at the date and time specified. Proposals received after the due date and time shall be returned unopened to the vendor.

Copies of the proposal specifications are available at the Purchasing Office located at 705 West University Avenue, Lafayette, LA 70506. Telephone number (337) 291-7187.

PUBLIC NOTICE
Public notice is hereby given that the Lafayette City-Parish Consolidated Government (LCG), Community Development & Planning Department (CDP) will conduct
Public Hearing #1 for the 2023/2027 Consolidated Plan and HOME-ARP Allocation Plan
Thursday, February 16, 2023 at 5:30 pm in The Clifton Chénier Center Auditorium, 220 West Willow Street, Building C, Lafayette, Louisiana

The LCG, CDP is preparing a five-year plan that will govern the expenditure of U.S. Department of Housing and Urban Development (HUD) Community Development Block Grant (CDBG) and HOME Investment Partnerships (HOME) entitlement grants within the jurisdiction of the LCG. Public hearing #1 is held to discuss the housing and community development needs of the LCG's low/moderate-income and "special needs" households. Special Needs households include: 1) the elderly and frail elderly; 2) homeless individuals and families; 3) "at-risk" youth; 4) persons with substance addictions; 5) persons living with HIV/AIDS and their families; and 6) persons with disabilities (physical, mental, and developmental).

Issues covered by the Consolidated Plan include: Low/Mod-Income Housing (rental and owner); Homeless outreach, supportive services, emergency/transition/permanent housing; employment/skills training needs; Public Facility Needs (senior, youth, and child care centers, neighbor-

Legal Notices

services or housing assistance to prevent homelessness, or who are at greatest risk of housing instability, as defined in the HOME-ARP Notice CDP-21-10.

The LCG, CDP will post its 2021 Annual Action Plan Amendment (with the HOME-ARP Allocation Plan) for a 30-day public review and comment period beginning February 12, 2023 and ending March 14, 2023. Copies of the 2021 Annual Action Plan Amendment will be available at the following locations: Lafayette Public Libraries (2): The Main Branch - 301 West Congress St., Lafayette, LA and the Clifton Chénier Center Branch (Town Hall, Building C) - 202 West Willow Street, Lafayette, LA; LCG, CDP, Grants Administration Office, 705 West University Avenue, (Second Floor, Lafayette City-Parish Hall), Lafayette, LA; Lafayette City-Parish Council Office, 705 West University Avenue, (First Floor, Lafayette City-Parish Hall), Lafayette, LA; The Lafayette Housing Authority, 115 Katie Drive (Administration Office), Lafayette, LA; and the CDP's website - <https://www.lafayettela.gov/DP/consolidated-plan>. Public comments may be left at each of the viewing locations, or they may be submitted to the LCG, CDP by: mail - LCG, Community Development & Planning Department (Attn: Milton G. Resweber), P.O. Box 4017-C, Lafayette, LA 70502; or email - mresweber@lafayettela.gov. The CDP must receive written public comments by 5pm March 14, 2023.

Note to Potential LCG Entitlement Applicants: Sample applications for LCG entitlement

should be returned unopened to the sender. Due to social distancing practices in place in response to COVID-19 and limited meeting spaces, bidders are highly encouraged to call into the bid openings at the following phone number 337-291-5100.

Scope of Services: The scope of work shall consist of, but not limited to, the removal and replacement of two (2) existing air handling units along with associated ductwork, piping and controls. All work shall be completed within Two Hundred Ten (210) calendar days from issuance of Notice to Proceed.

In accordance with Louisiana RS 38:2212, vendors may submit their bid electronically at the website listed above. Bidding Documents are available to view only at the website. Bidders wishing to submit their bid electronically must first be registered online with Lafayette Consolidated Government as a potential supplier at the website listed above. Vendors may obtain an electronic copy of the bid documents from Associated Design Group, telephone number 337-234-5710.

Bidders submitting bids electronically are required to provide the same documents as those bidders submitting through the mail as soon as available. Only a bid bond, certified check or cashier's check shall be submitted as the bid security. Electronic copies of both the front and back of the check or bid bond shall be included with the electronic bid.

Bids must be signed in accordance with LRS 38:2212(B)5. A Corporate Resolution or Certificate of Authority authorizing the person signing the bid is required to be submitted with bid. Failure to submit a Corporate Resolution or Certificate of Authority with the bid shall be cause for rejection of bid.

Copies of the bidding documents are available upon request by contacting Purchasing at the numbers listed above and upon receipt of payment of \$50.00. NOTE: NO CASH WILL BE ACCEPTED.

Government reserves the right to reject any and all bids for just cause in accordance with LA R.S. 38:52214.B.

Bidders or firms submitting bids in the amount of \$50,000.00 or more shall certify that they are licensed contractors under Chapter 24 of Title 37 of the Louisiana Revised Statutes of 1950 and show their license number on the front of the sealed envelope in which their bid is enclosed. Contractors shall be licensed for the classification of "MECHANICAL WORK." Bids in the amounts specified above which have not bid in accordance with the requirements, shall be rejected and shall not be read. Additional information relative to licensing may be obtained from the Louisiana State Licensing Board for Contractors, Baton Rouge, Louisiana.

The Lafayette Consolidated Government strongly encourages the participation of DBEs (Disadvantaged Business Enterprises) in all contracts or procurements let by the Lafayette Consolidated Government for goods and services and labor and material. To that end, all contractors and suppliers are encouraged to utilize DBEs business enterprises in the purchase or sub-contracting of materials, supplies, services and labor and material in which disadvantaged businesses are available. Assistance in identifying said businesses may be obtained by calling 291-8410.

PURCHASING DIVISION
Lafayette Consolidated Government

NOTICE TO BIDDERS

Notice is hereby given that sealed bids will be received either electronically at <https://lcmprod-lm01.cloud.inform.com:1442/lmscm/SourcingSupplier/html/SourcingSupplier?cck.Grouper=100&cck.CHP=1> or in person at the office of the Purchasing Division at the Lafayette Consolidated Government Building, located at 705 West University Avenue, Lafayette, Louisiana, until 3:00 pm Central Time on the 15th day of February 2023.

Government reserves the right to reject any and all bids for just cause in accordance with LA R.S. 38:52214.B.

Each bid shall be accompanied by a certified check, cashier's check in the amount of \$500.00 or bid bond payable to the Lafayette Consolidated Government, the amount of which shall be five percent (5%) of the base bid plus additive alternates. If a bid bond is used, it shall be written by a surety or insurance company currently on the U.S. Department of the Treasury Financial Management Service list of approved bonding companies which is published annually in the Federal Register, or by a Louisiana domiciled insurance company with at least an A-Rating in the latest printing of the A.M. Best's Key Rating Guide to write individual bonds up to ten percent (10%) of policyholders' surplus as shown in the A.M. Best's Key Rating Guide, or by an insurance company in good standing licensed to write bid bonds which is either domiciled in Louisiana or owned by Louisiana residents. The bid bond shall be issued by a company licensed to do business in Louisiana and countersigned by a person who is under contract with and residing in this state. The certified check, cashier's check, or bid bond shall be given as a guarantee that the bidder shall execute the contract, should it be awarded to him, in conformity with the contract documents within ten (10) days.

No bidder may withdraw his proposal for at least one hundred twenty (120) calendar days after the time scheduled for the opening of proposals. Each proposal shall follow the instructions listed in the RFP regarding submittal of their proposal.

Proposers are requested to attend a mandatory pre-bid meeting which will be held on February 1, 2023 at 9:00 am on the second floor of City Hall, in Community Development, located at 705 West University Avenue, Lafayette, LA.

Proposals will be evaluated by the Purchaser based on the evaluation criteria outlined in the Request for Proposals. Lafayette Consolidated Government reserves the right to reject any and all proposals or any portions thereof, to waive informalities and to select the proposal that best suits its needs. LCG further reserves the right to make an award without further discussion of the proposal submitted.

The Lafayette Consolidated Government

Government reserves the right to reject any and all bids for just cause in accordance with LA R.S. 38:52214.B.

Copies of the specifications are available at the Purchasing Office located at 705 West University Avenue, Lafayette, LA 70506. Telephone number (337) 291-8071 (Attn: Tara). Proposal specifications shall be available until twenty-four (24) hours before the proposal opening date. Any request for information shall be in writing. Questions must be received by February 8, 2023 at 5:00 P.M. Central Time. Email shall be sent to Tara Cazares at tczares@lafayettela.gov.

No bidder may withdraw his proposal for at least one hundred twenty (120) calendar days after the time scheduled for the opening of proposals. Each proposal shall follow the instructions listed in the RFP regarding submittal of their proposal.

NOTICE TO BIDDERS
Notice is hereby given that sealed bids will be received either electronically at <https://lcmprod-lm01.cloud.infor.com:1442/lmscm/SourcingSupplier/html/SourcingSupplier?csk.SupplierGroup=100&csk.CHP=lmscm> or in the office of the Purchasing Division at the Lafayette Consolidated Government Building, located at 705 West University Avenue, Lafayette, Louisiana, until 3:00 pm Central Time on the 15th day of February, 2023 for the following:

2022 OR NEWER TRAILERS FOR LAFAYETTE CONSOLIDATED GOVERNMENT

and will, shortly thereafter, be opened and read aloud in the Office of Purchasing located at 705 West University Avenue, Lafayette, LA. Bids received after the above specified time for opening shall not be considered and shall be returned unopened to the sender. Due to social distancing practices in place in response to COVID-19 and limited meeting spaces, bidders are highly encouraged to call into the bid openings at the following phone number 337-291-5100.

In accordance with Louisiana RS 38:2212, vendors may submit their bid electronically at the website listed above. Bidding documents are available to view only at the website above. Vendors may request the bid package electronically from Thomas Metrejean at tmetrejean@lafayettela.gov. Vendors wishing to submit their bid electronically must register online with Lafayette Consolidated Government, in order to establish an account.

Vendors submitting bids electronically are required to provide the same documents as bidders submitting through the mail as soon as available. Only a bid bond, certified check or cashier's check shall be submitted as the bid security. Electronic copies of both the

opening bids, evaluated by the Purchaser based on the criteria outlined in the Request for Proposals. Lafayette Consolidated Government reserves the right to reject any and all proposals or portions thereof, to waive informalities and to select the proposal that best suits its needs. LCG further reserves the right to make an award without further discussion of the submitted proposal. Therefore, the proposal should be submitted initially on the most favorable terms that the Vendor can offer. At its discretion, LCG reserves the right to request best and final offers from the RFP finalists. The Vendor should be prepared to accept this RFP for incorporation into a contract resulting from this RFP. The contract may incorporate some or all of the Vendor's proposal. It is understood that the proposal will become a part of the official file on this matter without obligation to LCG.

The Lafayette Consolidated Government strongly encourages the participation of DBEs (Disadvantaged Business Enterprise) in all contracts or procurements let by the Lafayette Consolidated Government for goods and services and labor and material. To that end, all contractors and suppliers are encouraged to utilize DBEs business enterprises in the purchase or sub-contracting of materials, supplies, services and labor and material in which disadvantaged business are available. Assistance in identifying said businesses may be obtained by calling 291-8410.

federal regulation for CDBG - public services. If additional funding becomes available, the LCG may amend its Consolidated Plan so that other priority needs can be addressed. The other issues to be discussed at Public Hearing #1 include: 1) prior year's accomplishments; 2) housing and community development needs and the types of activities that will be considered for federal entitlement funding; 3) the application process for LCG entitlement funding; 4) the anticipated availability of federal entitlement funding (including prior year fund balance) and 5) the HOME-ARP Allocation Plan. All interested parties are encouraged to participate in this planning process. Translators and/or transportation for handicapped citizens may be arranged if requested by 5:00 p.m., February 6, 2023. For more information, or to request handicap transportation or translators, please call CDP at (337) 291-8422.

Also, the LCG, CDP is amending its HUD 2021 Annual Action Plan. This Plan identifies the types of activities that were funded with CDBG and HOME entitlement funds during LCG's Program Year 2021 (October 1, 2021 through September 30, 2022). All activities funded under the 2021 Annual Action Plan address the priority needs identified in LCG's 2018/2022 Five-Year Consolidated Plan.

The Amendment to the 2021 Annual Action Plan also includes LCG, CDP's HOME-ARP Allocation Plan for the additional HOME ARP funds allocated to LCG in FY2021. The purpose of the HOME-ARP Allocation Plan is to address the needs of LCG's citizens who are 1) homeless; 2) at risk of homelessness; 3) fleeing, or attempting to flee, domestic violence, dating violence, sexual assault, stalking, or human trafficking; and 4) other households requiring

and will, shortly thereafter, be opened and read aloud in the Office of Purchasing located at 705 West University Avenue, Lafayette, LA. Bids received after the above specified time for opening shall not be considered and shall be returned unopened to the sender. Due to social distancing practices in place in response to COVID-19 and limited meeting spaces, bidders are highly encouraged to call into the bid openings at the following phone number

For additional information regarding the 2023/2027 Consolidated Plan Public Hearing, 2021 Annual Action Plan Amendment or the HOME-ARP Allocations Plan, please call 337 291 8422.

Public Notice

The Lafayette Consolidated Government (LCG), Community Development & Planning Department (CDP) is preparing its **2023/2027 CONSOLIDATED PLAN** and its **HOME-ARP Allocation Plan** for addressing certain housing, homelessness, and community development needs within its jurisdiction. Families and individuals assisted by these plans include:

- ☞ Individuals and Families with Extremely Low-, Low-, and Moderate-Incomes;
- ☞ Persons that are Disabled;
- ☞ Persons with HIV/AIDS;
- ☞ Youths;
- ☞ Persons with Substance Abuse Problems;
- ☞ Elderly/Frail Elderly Persons;

- ☞ Individuals and Families who are Homeless or At Risk of Homelessness;
- ☞ Persons Fleeing, or Attempting to Flee, Domestic Violence, Dating Violence, Sexual Assault, Stalking, or Human Trafficking; and
- ☞ Other Households Requiring Services or Housing Assistance to Prevent Homelessness or who are At Greatest Risk of Housing Instability as defined in the HOME-ARP Notice CDP-21-10.

Issues that may be covered by these plans:

- ☞ Low/Moderate-Income Affordable Housing (renters & owners);
- ☞ Public Service Needs [Housing Related Services]: Mortgage Counseling, Home Maintenance Counseling, Renter's Counseling, Landlord/Tenant's Rights and Fair Housing Seminars, Reverse Mortgage Quarterly Workshops, Home Ownership Training Sessions, Financial Literacy, Pre-purchase Counseling, Home Buyer's Fair, Budget and Credit Workshop, Housing Discrimination Complaint Line, Home Buyer's Club, Identity Theft Workshop, Supportive Services, Information and Referrals
- ☞ Housing Opportunities for First-time Homebuyers;
- ☞ Public Service Needs [Non-Housing Related]: Senior, Handicap, Youth, Transportation, Substance Abuse, and Other Public Services (LCG cannot fund due to HUD public service funding limits);
- ☞ Public Facility Needs: Senior, Youth, Child Care Centers, Neighborhood Facilities, Parks, and Recreation Facilities;

- ☞ Infrastructure Improvements: Solid Waste Disposal, Flood Drain, Water, Sidewalks, Sewers, Streets, and Asbestos Removal;
- ☞ Emergency/Transitional/Permanent Housing, Outreach, Supportive Services, Transportation; Employment/ Skills Training for Homeless Individuals and Families; and other populations as required by HOME-ARP Notice CDP-21-10
- ☞ Housing for Elderly/Frail Elderly Individuals and Families;
- ☞ Supportive Housing for Persons with Physical, Developmental, and Mental Disabilities;
- ☞ Supportive Housing for Persons with Substance Addictions;
- ☞ Supportive Housing for persons with HIV/AIDS;
- ☞ Economic Development: Direct Assistance to Small- and Minority-owned Businesses, Commercial/Industrial Rehabilitation, Infrastructure & Other Improvements, and Micro-Business Development & Technical Assistance;
- ☞ Other Needs: Energy Efficiency Improvements, Lead-Based Paint Hazards, Housing Code Enforcement, Accessibility Needs, Historic Preservation, Demolition Grants, and Planning & Program Administration.

On Thursday, February 16, 2023 at 5:30 pm, the LCG, CDP will conduct Public Hearing #1 for its **2023/2027 CONSOLIDATED PLAN** and its **HOME-ARP Allocation Plan** in The Clifton Chenier Center Auditorium, 220 West Willow Street, Building C, Lafayette, Louisiana

All interested parties are encouraged to attend.

GRANTS ADMINISTRATION DIVISION
Lafayette Consolidated Government

The purpose of this public hearing is to discuss both of these plans, the planning process and how they relate to:

- 1) the types of activities that will be considered for federal entitlement funding,
- 2) the application process for non-profits seeking LCG entitlement funding under either plan,
- 3) the availability of federal entitlement funding (including prior year fund balance and the HOME-ARP Grant), and
- 4) the previous year's performance.

Translators and/or transportation for handicapped citizens are available if requested by 5:00 pm, February 6, 2023. **If you have questions concerning this hearing or need a translator or handicap transportation, please call 337-291-8422.**
