**FY 2025-2026 PROPOSED OPERATING AND FIVE-YEAR CAPITAL IMPROVEMENT
BUDGET OF THE CITY-PARISH CONSOLIDATED GOVERNMENT OF**

LAFAYETTE, LOUISIANA

Prepared By: Office of Finance & Management
Karen V. Fontenot, CPA, Chief Financial Officer

Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to **Lafayette City-Parish Consolidated Government, Louisiana** for its Annual Budget for the fiscal year beginning **November 1, 2024**. In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as a financial plan, as an operations guide, and as a communications device.

This award is valid for a period of one year only. We believe our current budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award.

GOVERNMENT FINANCE OFFICERS ASSOCIATION

*Distinguished
Budget Presentation
Award*

PRESENTED TO

**Lafayette Consolidated Government
Louisiana**

For the Fiscal Year Beginning

November 01, 2024

Introduction

INTRODUCTION

This introduction and guide is designed to assist the reader in gaining an overview of Lafayette as well as aid in the use and comprehension of Lafayette Consolidated Government's (LCG) Operating and Five-Year Capital Improvement Budget Document.

The City of Lafayette, Louisiana is the parish seat of the Parish of Lafayette. The July 2024 estimated population of the City is 136,390 and the Parish is 247,107. The region was settled in 1763 by exiled Acadians from Nova Scotia (commonly called Cajuns). The Parish was created on January 17, 1823 and covers a total of 277 square miles. The City of Lafayette was originally founded as Vermilionville in 1821 and later renamed Lafayette in 1884. The City was incorporated in 1914. The Parish is located in the heart of Acadiana, an eight-parish area in the center of southern Louisiana between New Orleans and Houston. French, Creole, and Acadian culture, handwork and traditions are very much in evidence in and around the region and both French and English languages are still spoken. An estimated 11.5% of the Parish population speaks both French and English.

Given the Parish's central location in the Acadiana region, Lafayette is a hub for tourism. It boasts a vibrant music scene with world acclaimed music festivals such as Festival International De Louisiane and Festival Acadiens Et Creoles. In the spring and fall, free concerts through the Downtown Alive! Series are held downtown every Friday. The unique blend of Cajun and Creole cultures give rise to many diverse culinary opportunities. Attractions such as museums, art galleries, Acadian Village, and Vermilionville are within a short drive from the City's center. Lafayette is also truly part of Louisiana's Sportman's Paradise with easy access to golfing, fishing, hunting, water sports, and camping throughout the Parish.

The business base of the Parish includes energy services, manufacturing, health care, transportation and distribution, education, technology, finance, tourism, and other service-related industries. The population in Lafayette's trade market is over 600,000 with over a million tourists visiting the area each year. More than twenty percent of the dollars spent in the Parish come from visitors outside the Parish borders. The Lafayette Parish School System includes 45 schools, 25 elementary schools, 12 middle schools, and 8 high schools. Included in the system are 5 schools of choice, 6 high school academies, foreign language immersion curriculums, and gifted and talented programs. Lafayette is also home to the University of Louisiana at Lafayette (UL Lafayette), which is part of the University of Louisiana System. UL Lafayette offers bachelors, masters, and doctoral degrees in curriculums ranging from the humanities to hard sciences. It is one of the top-ranked universities in the south.

Prior to January 2020, the governing authority of LCG was the Lafayette City-Parish Council consisting of nine members elected from nine single member districts. By a general vote of Lafayette citizens, effective January 6, 2020, this Council was replaced by two separate councils consisting of five members each. The Lafayette City Council serves as the governing authority for the City of Lafayette. The Lafayette Parish Council serves as the governing authority for the Parish of Lafayette. The City Council and Parish Council, jointly, serve as the governing authority for Lafayette City-Parish Government. The LCG chief executive is the Mayor-President. LCG's governance structure is by home rule charter which, in its current form, was voted on by the citizenry in 1992. Although the governments were consolidated in 1996, the Home Rule Charter states that "The City of Lafayette shall continue to exist as a legal entity... and shall

Introduction

FY 2025-26 Proposed Budget
Introduction

exercise all powers granted by general state law and the state constitution for municipalities of the same population class.” Tax rates vary between the various municipalities and the unincorporated areas; therefore, after consolidating administration and operations of the two governments, LCG continues to maintain separate accounts for the City of Lafayette and Parish funds.

MISSION STATEMENT

The mission of LCG is to enhance the quality of life of our community by providing high-quality; cost-effective services that meet the needs and expectations of the public. The proposed budget is presented with this mission in mind and with the following goals.

GOALS

- To create responsible, accessible, and responsive government that has sound financial and administrative practices.
- To build a diverse economy with the ability to maintain during economic changes.
- To promote a city that is safe, environmentally conscious, and provides cultural and artistic enjoyments.
- To establish a well-maintained and future-oriented infrastructure with emphasis on convenient and efficient transportation movement.
- To establish predictable, compatible land uses through zoning and comprehensive planning.
- To enhance community-oriented programs such as parks and recreation and community development which provide an array of services for all citizens.

MAJOR INITIATIVES

Mayor-President Monique B. Boulet’s administration has prioritized several key initiatives to enhance city governance and re-establish public transparency throughout the process. This commitment to rebuild trust in local government and ensure that every decision made reflects the best interest of citizens throughout Lafayette Parish is evident in the establishment of major initiatives of Mayor-President Boulet’s administration. These major initiatives include: implementing efficiencies and administrative support of public safety; making strategic infrastructure investments for long-term quality of life and growth; and modernizing governmental services focusing on building a community where all families and businesses can live and thrive. These measures aim to streamline operations, establish processes for accountability, and lay a foundation for stability, sustainable growth, and prosperity in Lafayette Parish.

- **Public Safety** – Effective partnerships between law enforcement and community stakeholders are essential to public safety, and it is important that government agencies and private citizens all embrace public safety as a shared responsibility. The Boulet administration aims to provide innovative and creative resources that help law enforcement engage community leaders, build lasting partnerships, and improve the health of our communities. Having well-supplied and well-funded police and fire departments is essential to the protection of life and property throughout our community. Furthermore, updating and re-establishing full-time emergency management operations at the Parish level will allow Lafayette to better manage coordination efforts in the preparation, response, and ultimately recovery from disasters. Mayor-President Boulet and Sheriff Garber continue to bridge all agencies involved in the criminal justice process with the Criminal Justice Coordinating Committee, gathering quarterly with LCG, the Sheriff’s office, the District Attorney, the Clerk of

Introduction

FY 2025-26 Proposed Budget
Introduction

Court, the District Judges, the school board, the public defenders office, the Parish and City Council, as well as many of our supporting agencies and non-profits. Working together as a community, public safety is a priority for all.

- **Infrastructure** – When taxpayer money is spent, there is an inherent obligation to invest in projects that drive community related results. It is the government's responsibility to ensure that proper technical vetting and legal processes for all major investments have been followed. The Boulet administration will continue to maintain and develop critical infrastructure while prioritizing transformative infrastructure investments to propel the successes of the City and Parish. This government will invest in drainage improvements that seek to maximize the flood-risk reduction per dollar spent, seeking to improve drainage in accordance with expert analysis and financial prudence. Specific revitalization projects include but are not limited to the University Corridor, Louisiana Avenue Extension, Bertrand Drive, Johnston Street Infrastructure Improvements, and I-49 Connector. These projects, in addition to strategic utility and fiber expansions, will improve traffic flow, enhance drainage and gateways, and increase connectivity across our region. Community input and engagement will remain a core tenant in bringing these projects to life. Featuring intentional placemaking and accessible, shared-use paths, and looking at the potential drainage benefits of every project, these initiatives are critical investments that will boost commerce, improve property values and ensure healthy growth for today and for generations to come.
- **Government Efficiency and Fiscal Responsibility** - With the expiration of ARPA funding, and continued “right-sizing” of government operations —this budget normalizes revenues and expenditures while reinforcing the long-term stability of our financial systems. These modifications are integral to make our government more efficient, and to achieve better public services for our citizens while minimizing the need for additional resources. Embedded in the budget are various strategies to address critical service gaps and improve operational efficiencies across key departments. In the area of vehicle maintenance, a new apprenticeship program will be introduced to provide workforce solutions for employee retention and improve fleet repair operations. To enhance LTS transit accessibility and responsiveness, micro transit services will be deployed in strategic areas across the city, providing flexible, on-demand transportation that shortens wait times and increases overall system efficiency. On the development front, Lafayette Utilities System (LUS) will employ a dedicated economic developer to focus on strategic growth initiatives, balancing investment opportunities in both infill and greenfield areas and better aligning infrastructure with community development goals. Legal operations will be streamlined by hiring an in-house paralegal, which will lower legal expenses and improve the speed of handling routine legal matters. Lastly, operations within the Parks, Arts, Recreation, and Culture (PARC) department will be strengthened by augmenting internal staff and reducing dependency on contractual services, leading to more consistent service delivery and long-term cost savings. Together, these initiatives represent a proactive approach to building internal capacity, enhancing public services, and supporting sustainable growth.
- **Quality of Life and Culture** – Through policies that prioritize sustainable development that supports a healthy environment and preservation of our rich cultural heritage, Lafayette Consolidated Government under the Boulet administration, aims to create environments where our families and our citizens can thrive economically, physically, socially, and culturally. These efforts are pivotal in fostering a vibrant and inclusive society for future generations to enjoy. In 2024, park improvements at Brown Park, Thomas Park, and Moore Park are scheduled to be completed, impacting nearby residents and visitors alike. These greenspaces in

Introduction

Introduction

particular will spark interest from regional and national sporting tournaments and thus economic boosts for local hotels, restaurants, and stores while also maintaining the integrity of and access to neighborhoods in which they serve. Enhancements to our connectivity and walkability and continued celebration of Lafayette's rich French and Creole culture will also help to cement Lafayette as not only a "Top Place to Travel" (*TravelLemming.com*) but also a destination for growing businesses like Buc-ees to plant new roots and encourage continued economic growth and development. Most importantly, this administration wants to have a quality of life our children can raise their families in, while also having interesting careers opportunities. That same quality of life attracts our growing number of boomerangs who move home bringing invaluable knowledge and talents they have learned in other parts of the world, enhancing our rich culture and strengthening the basic fabric of who we are.

STRATEGIC PLANNING

PlanLafayette

A Comprehensive Plan, PlanLafayette, (https://www.lafayettela.gov/docs/default-source/d-p-documents/planlaf-2015-amended-dec2021.pdf?sfvrsn=e8d9de87_2) is a long-range plan or "guidebook" for a community's growth, development and redevelopment. It is a vision for the future that plans for a twenty year time period, based on local conditions, values and aspirations. It is called comprehensive because it coordinates the efforts of many different aspects of a community, such as land use, transportation, and economic development.

PlanLafayette 2035 was adopted by the Lafayette City-Parish Planning Commission on June 10, 2014. The Lafayette City-Parish Council endorsed PlanLafayette by resolution on Tuesday, July 1, 2014.

The plan is a living document that will always be amended to reflect changes in the community. A major amendment is to occur every five years. Staff has prepared Annual Reports to the Planning Commission to keep the commission up to date on implementation.

Downtown Action Plan

Downtown Lafayette is the heart of the Acadiana region. This Downtown Action Plan ("Plan") (https://www.lafayettela.gov/docs/default-source/d-p-documents/downtown-action-plan.pdf?sfvrsn=ae8c949b_2) provides a vision for how we can leverage this important asset for the benefit of the entire region. The plan replaces the 1989 Growth Management Program and serves as a regional economic development tool.

Planning and Zoning Commissions

The LCG charter requires the capital improvement budget proposed by the administration be submitted to the City and Parish Planning and Zoning Commissions (Commissions) prior to submission of the budget to the Councils. The Commissions review the capital improvement budget for conformance to the master plan.

Future Plans

Looking to our future is critical in how we spend our money. Lafayette Parish is a small geographical parish with ongoing growth and high demand for more housing stock. This administration will work with its citizens to set goals of what we want Lafayette to look like in 10 or 20 years. The rural areas of Lafayette are faced with new development challenges

Introduction

FY 2025-26 Proposed Budget
Introduction

everyday. What used to be quiet country roads are no longer quiet. The unincorporated areas have limited resources and new short and long term challenges. We will set a path forward together.

The oldest parts of the City of Lafayette are in dire need of revitalization. We are challenged to look at our “old house” and map out a plan of new energy and revitalization from the Acadiana Mall to the Northgate Mall. To truly revitalize the City of Lafayette, it will require the dedication of our whole community, but our government can start by addressing utility lines, connectivity and blight. Engaging in revitalization with long term economic development and stability in mind is our goal. As the University Avenue Gateway and Corridor goes through its own transformation, and we begin to focus on the initial phase of Johnston Street with critical action beginning with Bertrand Drive, revitalization efforts take root and new energy will spread. This is an exciting time for Lafayette’s future.

FINANCIAL POLICIES

Fund/Department Structure

The fund structure for LCG is especially complex. City and Parish funds are accounted for separately due to the source of revenue and authority granted by the voters of both the City and the Parish. There are two general funds; one for the City and one for the Parish. Combined, there are over fifty general governmental funds (special revenue, debt service, and capital projects), three internal service funds, and five business type funds.

Most of the general operating expenses are budgeted in the City General Fund and allocated between the City and Parish General Funds based on the City-Parish Funding Source Allocations study prepared by MGT Impact Solutions, LLC.

The allocations are performed using one of several methods of allocation depending on the nature of the services being distributed. There are over 24 different allocation methods. The City-Parish Allocation Schedule Summary can be found in the Budget Overview & Highlights Section of this document along with a list of allocation methods.

The department is the highest organizational structure in LCG’s hierarchy and each department’s operating and capital expenses can be budgeted in one or more funds depending on that department’s functions or activities.

Auditing, Accounting, and Financial Reporting

LCG's accounting and financial reporting systems are maintained in conformity with generally accepted accounting principles (GAAP) and standards of the Governmental Accounting Standards Board (GASB). An enterprise resource system is maintained containing all financial modules including a fixed asset module which maintains the identity of all assets, their location, historical cost, useful life, and depreciation calculations as well as the department responsible for the control of the asset.

An independent accounting firm audits the financial records of the government annually and issues an audit opinion on the financial statements of the governmental activities, the business type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information. The most current audit for period ending October 31, 2024 received an unmodified opinion in that all reports presented fairly and were in conformance with generally accepted accounting principles.

Introduction

FY 2025-26 Proposed Budget
Introduction

Investment Management

The Cash Management Rules and Guidelines of LCG address the following areas:

- Scope, Prudence, and Objectives
- Delegation of Authority
- Authorized Financial Dealers and Institutions and Diversification in Authorized and Suitable Investments
- Collateralization
- Safekeeping and Custody

It is the policy of LCG to invest public funds in a manner which conforms to existing Louisiana State Statutes governing the investment of public funds and LCG's Home Rule Charter while receiving a maximum rate of return. LCG's Investment Policy has the following objectives: safety, liquidity, yield, and public trust. Authorized security purchases include:

- U.S. Treasury Bills, Notes, and Bonds with maturities not to exceed two years.
- Federal agency and instrumentality coupon debentures and discount notes with maturities not to exceed two years-limited to Federal Home Loan Bank, Federal National Mortgage Association, Federal Farm Credit Bank, and Federal Home Loan Mortgage Corporation.
- Repurchase agreements with a maturity not to exceed six months on the above securities collateralized at a minimum of 102 percent of the purchase price of the repurchase agreement.
- The purchase of any securities listed in the first two bullets in excess of two years must be pre-approved in writing by the Chief Financial Officer.

Fund Balance Policy

Governmental funds report the difference between their assets and liabilities as fund balance. Under generally accepted accounting principles (GAAP), fund balance is divided into two major components; Nonspendable and Spendable. Nonspendable is that portion of fund balance that is not available for appropriation because the assets it represents are not in a spendable form, such as inventory. Spendable Fund Balance is further broken down into four categories; restricted, committed, assigned, and unassigned. It is the unassigned portion of fund balance that can be appropriated without external or internal restrictions. It is the intent of LCG administration to maintain at a minimum its unassigned fund balance for the City and Parish General Funds at 20% of the total fund's operating expenses. Under this policy, LCG administration, in its budgeting process, submits a proposed budget to the City and Parish Councils that adheres strictly to the fund balance requirements. This policy has not yet been ratified by the City and Parish Councils and during the budget adoption process the Councils may, at their discretion, amend the budget in such a way that this policy is violated. In such cases, policy violations will be discussed in the administration's transmittal letter in the final budget document. Additionally, the City and Parish Councils may be asked to provide a discussion of these decisions and, if provided, will be included in the final budget document as well.

Debt Policy

LCG's debt is issued primarily as a financing tool for infrastructure (such as streets, drainage, and utilities) and infrastructure improvements. A careful balance between debt financed projects and pay-as-you-go capital projects is maintained. Capital projects that may be funded by debt are evaluated within the context of LCG's long range capital

Introduction

FY 2025-26 Proposed Budget
Introduction

plan and debt is only issued after careful consideration of current debt levels, economic conditions, the availability of alternative funding sources, and key debt and liquidity ratios. Bond covenants require that the average annual revenues for the City of Lafayette sales tax collections for the two (2) most recent fiscal years must equal or exceed 1.5 times the highest combined principal and interest requirements for any succeeding fiscal year on all City sales tax bonds outstanding. It is the administration's policy to maintain a higher City sales tax ratio of 2.0.

Louisiana Revised Statutes limit the Parish's general obligation bonded debt for other purposes to 10% of the assessed valuation of the taxable property for a single purpose with no limit on the number of purposes. The City may issue general obligation bonded debt in excess of 10% of the assessed valuation of the taxable property for any single purpose provided that the aggregate for all such purposes (determined at the time of issuance of the bonds) does not exceed 35% of the assessed valuation of the taxable property of the City.

Compliance with all bond covenants, bond ordinances, contracts, etc. are monitored. Additionally, required financial data and event information are uploaded to the Electronic Municipal Market Access (EMMA) which is the official repository for information on virtually all municipal bonds.

Revenue Policy

LCG endeavors to have a diversified and stable revenue system to protect against unforeseeable short-term fluctuations in any one revenue source. Revenue forecasts are based on the best information available and take into consideration historical trends, current economic factors (such as property assessments and retail sales trends), and projected activity. Revenues are budgeted conservatively but if economic downturns develop, which could result in revenue shortfalls, adjustments in budgeted expenditures are made to compensate. LCG establishes and monitors user fees and charges based on the cost of services and community benefit. Services may be subsidized as the Councils deem necessary. The use of one-time revenues or those of an unpredictable nature to fund on-going expenditures is discouraged. LCG pursues alternate methods of financing such as federal and state grants and intergovernmental agreements.

Expenditure Policy

All department directors share in the responsibility of looking at and understanding LCG's long-term financial viability, the general spending trends of their respective departments, the projected departmental revenues, and educating themselves and their staff on the necessary short and long-term balance between revenues and expenses. Departmental budgets are submitted to the administration with these responsibilities in mind and budgets are typically zero-based or status quo with little or no increases to expenditures contemplated. As the administration evaluates budgetary requests, higher priority is given to expenditures which provide direct public services and public health and safety. The highest priority is given to the payment of bonds, notes, contracts, accounts payable, and other monetary liabilities. An appropriate balance between these priorities and the dollars provided towards the assurance of good management and legal compliance is strived for.

Capital Improvements

LCG maintains a Five-Year Capital Improvement Program (including anticipated funding sources) which is updated annually and is approved by the City and Parish Councils during the budget process. Capital improvement projects are

Introduction

FY 2025-26 Proposed Budget
Introduction

defined as infrastructure, equipment purchases, or construction that results in a capitalized asset and having a useful life of more than one year.

In addition to a Five-Year Capital Improvement Program, Section 5-05 of the Home Rule Charter requires that a Capital Improvement budget must include the estimated annual cost of operating and maintaining the capital improvement to be constructed or acquired.

Proposed capital projects are reviewed by departmental directors, staff, and administration. Priority of projects is based on financial sources available and/or debt considered and overall consistency with LCG's goals and objectives.

Internal Controls and Fiscal Monitoring

Financial systems will maintain internal controls to monitor revenues, expenditures, and program performance on an ongoing basis. As required by the Home Rule Charter and/or internal written policy, monthly financial reports are prepared as well as departmental meetings held to review status of revenues and expenditures and compliance to the adopted budget.

Distinguished Budget Presentation Awards Program

LCG's budget will be submitted to the GFOA Distinguished Budget Presentation Awards Program for FY 2025-2026. LCG presented its budget to the award program for fiscal years 2014 to 2025. The GFOA Distinguished Budget Award was given for those submissions. The budget should satisfy criteria as financial and programmatic policy documents, a comprehensive financial plan, an operations guide for all organizational units, and a communications device for all significant budgetary issues, trends, and resource choices.

Basis of Accounting

The government-wide, proprietary, and fiduciary fund financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Nonexchange transactions in which the government gives (or receives) value without directly receiving (or giving) equal value in exchange include property taxes, grants, and entitlements. On an accrual basis, property taxes are recognized in the year for which the taxes are levied. Revenue from grants, entitlements, and donations is recognized in the fiscal year in which all eligibility requirements have been satisfied.

Governmental funds are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Under this method, revenues are recognized when susceptible to accrual (i.e., when they become both measurable and available). "Measurable" means the amount of the transaction can be determined and "available" means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. Sales taxes are considered "measurable" when in the hands of the Sales Tax Collector and are recognized as revenue at that time. Ad valorem taxes are recognized as revenue in the year they are budgeted, that is, in the year in which such taxes are billed and collected. Revenue from grants, entitlements, and donations is recognized in the fiscal year in which all eligibility requirements have been satisfied. All other receivables collected within 60 days after year-end are considered available and recognized as revenue of the current year. Expenditures are recorded when the related fund liability is incurred except for principal and interest on general long-term debt,

Introduction

FY 2025-26 Proposed Budget
Introduction

claims and judgments, and compensated absences which are recognized to the extent they have matured. General capital asset acquisitions are reported as expenditures in governmental funds. Proceeds of general long-term debt and acquisitions under capital leases are reported as other financing sources. Except for miscellaneous supplies warehoused at central locations and issued to operating departments as needed, purchases of various operating supplies are regarded as expenditures at the time purchased.

Basis of Budgeting

The budget is reported using the current financial resources measurement focus and is consistent with GAAP. Appropriations define the cash limits that cannot be exceeded. No reference is given to when revenues are earned or expenses are incurred. For budgetary purposes, these items are only recognized when received or paid. Non-cash items such as depreciation and amortization are not budgeted.

Differences between Basis of Accounting and Basis of Budgeting

Some of the differences between the basis of budgeting and the accounting basis are:

- Debt payment for principal-budgeted as an expense item, adjusted at year-end against the liability.
- Depreciation recorded for proprietary and enterprise funds on an accrual basis, eliminated for budget purposes.
- Encumbrances are recorded as a reserve of budgeted funds on the cash basis and recorded as a committed portion of fund balance on the accrual basis.
- Compensated absences are adjusted annually using the accrual method but on the cash basis for budgeting are absorbed by salaries.

BUDGETARY POLICIES

In addition to the Home Rule Charter budgetary submission requirements and administrative responsibilities discussed below, LCG adheres to the Louisiana Revised Statutes Title 39 Chapter(s) 1301-1315-Louisiana Local Government Budget Act. Of specific note is R.S. 39:1305 that requires the submission of a budget where "...proposed expenditures shall not exceed the total estimated funds available for the ensuing fiscal year." LCG uses this definition as the meaning of a balanced budget and all adopted budgets follow this statute.

The fiscal year for Lafayette Consolidated Government is November 1 through October 31. The Home Rule Charter requires that at least ninety days prior to the beginning of each fiscal year, an operating budget and a capital improvement budget be submitted to the City and Parish Councils. The Clerk of the Council then publishes a joint public hearing notice at least ten days prior to the date the budget is presented to the public for a formal public hearing. The notice is required to include a general summary of the proposed budget, the times and places where copies of the budget are available for public inspection, and the location, date, and time of the joint public hearing.

If the City and Parish Councils fail to adopt a budget before the end of the current fiscal year, the budget for the current fiscal year continues in effect for a maximum of six months into the next fiscal year and is limited to fifty percent of the amount appropriated for the current fiscal year.

Introduction

FY 2025-26 Proposed Budget
Introduction

The Charter also requires that the operating budget presents a complete financial plan for the ensuing year and that the following be included in the operating budget document:

- A budget message prepared by the Mayor-President.
- A general budget summary with proposed budgeted amounts, actual amounts for the last completed fiscal year, and estimated amounts for the year in progress.
- Detailed estimates of all proposed expenditures showing the corresponding estimated expenditures for each item for the current fiscal year and actual amounts for the last preceding fiscal year.
- Manning or organizational tables for each of the departments, agencies, or programs.
- Detailed estimates of all anticipated revenues and other income showing the corresponding estimated revenue or income for each item for the current fiscal year and actual figures of the last preceding fiscal year.
- Statement of the indebtedness of the City-Parish Government showing debt redemption and interest requirements, debt authorized and unissued, and conditions of the sinking funds.
- A proposed complete draft of the appropriation ordinance.
- A clear general summary of the capital improvement budget.
- A list of all capital improvements and acquisitions for at least five fiscal years.
- Cost estimates, recommended method of financing, and the estimated annual cost of operating and maintaining the capital improvements.

If during the fiscal year the Mayor-President certifies that there are available for appropriation funds in excess of those estimated in the operating budget, the Mayor-President may present a supplement to the budget for the disposition of such funds and the appropriate Council(s), by ordinance, may make supplemental appropriations for the year up to the amount of such excess in the same manner required for adoption of the budget. If at any time during the fiscal year it appears to the Mayor-President that the funds available will be insufficient to meet the amount appropriated, the Mayor-President shall report to the appropriate Council(s) without delay, indicating the estimated amount of the deficit, any remedial action taken, and recommendations as to any other steps to be taken. The appropriate Council(s) shall then take such further action as it deems necessary to prevent a deficit. No appropriation for debt service may be reduced or transferred below any amount required by law.

With the exception of amounts appropriated for debt service and salaries, the Mayor-President can transfer any amount unencumbered within departments during the year. Amounts cannot be transferred to or from the salary account unless approved by the appropriate Council(s) by ordinance(s). Every appropriation, except an appropriation for a capital expenditure, lapses at the close of the fiscal year to the extent that it has not been expended or encumbered. An appropriation for a capital expenditure is allowed to continue in force until the purpose for which it was made has been accomplished or abandoned; however, any capital appropriation with no disbursements or encumbrances for three years is deemed abandoned.

ADMINISTRATIVE BUDGET PROCESS

The Chief Financial Officer (CFO) is responsible to recommend to the Chief Administrative Officer (CAO) a timeline and plan to facilitate the budget process for the next fiscal year. The approved budget calendar and budget instructions were delivered to department heads in March of this year. At weekly director's meetings throughout April and May, the department heads were apprised of the results of the previous fiscal year and of anticipated challenges facing the City-Parish for the current and next fiscal year.

Introduction

FY 2025-26 Proposed Budget
Introduction

The Budget Management Division and the CFO's staff worked tirelessly during June and July to ensure that all funds were balanced and to identify over-expended funds. Together with the CAO, changes to budgetary line items were made to keep the proposed budget in line with the priorities set by the Mayor-President.

The public is invited to attend and speak at all department budget meetings held August 7 – August 14, as well as the public hearing for citizen input on August 19. The schedule of department budget meetings can be found on LCG's website under Council (https://lafayettela.gov/docs/default-source/council-documents/2025-council-budget-review-schedule.pdf?sfvrsn=3e905944_1). A Citizen's Guide to the Budget has been published and is posted on LCG's website under Finance & Management (https://www.lafayettela.gov/docs/default-source/finance-management-documents/budget-files/citizen-s-guide-to-the-budget.pdf?sfvrsn=659a3308_2). The approved budget calendar for preparation of the FY 2025-26 budget is as follows:

Mar 11 Budget calendars, instructions, and forms are e-mailed to department heads.

Mar 12-May 16... Departments prepare budget requests and return same to Budget Management.

May 27-June 5 Mayor-President, CAO, and CFO review O&M and Capital budgets.

June 6-June 30 Budget Management balances, analyzes, and completes proposed budget. CFO meets with CAO and Mayor-President to finalize proposed budget.

July 1 Finalized proposed budget is submitted for printing.

Aug 11, Aug 18.... Five-Year Capital Improvement Budget is submitted to City & Parish Planning and Zoning Commissions.

July 15 Special Joint Council meeting for the introduction of Operating & Five-Year Capital Improvement Budget.

Aug 7-Aug 14 Department-City and/or Parish Council budget meetings.

August 19..... Public hearing for citizen input.

August 28..... Public meeting for wrap up of outstanding items.

September 11 Special Joint Council meeting for final adoption.

November 1 Adopted budget goes into effect.

2025 - 2026 Proposed Budget

Mayor-President's Message

Monique B. Boulet
Mayor-President / Maire-Président

Lafayette City and Parish Councils
705 West University Avenue
Lafayette, LA 70502

SUBJECT: Proposed FY 2025-2026 Budget Message

Honorable Members of the Councils,

Enclosed is the Proposed Operating and Capital Budget for the **Fiscal Year 2025-2026**. This budget represents a continued reset in the financial direction of the Lafayette Consolidated Government (LCG) and sets a foundation for the revitalization and growth for the future of Lafayette.

Fiscal Responsibility through a Balanced Budget and Healthy Fund Reserves

For the second budget cycle of this administration, there is an increased focus on improving the fiscal strength of both the City and Parish General Funds. With the expiration of ARPA funding and continued “right-sizing” of government operations —this budget year normalizes revenues and expenditures while reinforcing the long-term stability of our financial systems. The **total proposed budget of \$803.7 million** is an increase from last year demonstrating the continued economic growth realized by Lafayette City-Parish.

We are proud to maintain a **City General Fund balance of \$58.2 million**, well above the Government Finance Officers Association’s recommended 20% threshold. The **Parish General Fund**, historically below that target until fiscal year 2024, continues to maintain the threshold, with a **balance of \$4.8 million**.

Addressing Critical Service Gaps and Operational Efficiencies

Embedded in the budget are various strategies to address critical service gaps and improve operational efficiencies across key departments. In the area of **vehicle maintenance**, a **new apprenticeship program** will be introduced to provide workforce solutions for employee retention and improve fleet repair operations. To enhance LTS transit accessibility and responsiveness, **micro transit services** will be deployed in strategic areas across the city, providing flexible, on-demand transportation that shortens wait times and increases overall system efficiency. On the development front, Lafayette Utilities System (**LUS**) **will employ a dedicated economic developer** to focus on strategic growth initiatives, balancing investment opportunities in both infill and greenfield areas and better aligning infrastructure with community development goals. Legal operations will be streamlined by **hiring an in-house paralegal**, which will lower legal expenses and improve the speed of handling routine legal matters. Lastly, operations within the Parks, Arts, Recreation, and Culture (PARC) department will be strengthened by **augmenting internal staff and reducing dependency on contractual services**, leading to more consistent service delivery and long-term cost savings. Together, these initiatives represent a proactive approach to building internal capacity, enhancing public services, and supporting sustainable growth.

Mayor-President's Message

Prioritizing Public Safety

Public safety remains a core priority of this administration. A key proposed investment for this year includes continued funding for competitive police salaries to attract and retain skilled officers. In previous years, one-time monies funded the Lafayette Police Department's salary increases. We are proud to propose all police salaries are now fully integrated into the general fund budget thereby sustaining the longevity of prior and current increases. Relative to fire protection, the administration plans to invest in fire department vehicles to handle medical calls since nearly 40% of all fire department calls contain a medical component. Utilizing specialized vehicles will reduce the strain on Lafayette Fire Department trucks. Additionally, increased funding for the volunteer fire departments is included and provides greater support for the unincorporated communities in our parish to purchase equipment and improve operations.

Integral to the budgetary process this year was a review and reevaluation of parish criminal justice mandates to ensure resources are aligned with legislatively-mandated responsibilities. The Criminal Justice Coordinating Committee and Emergency Operations Coordination continue to be a vital part of this administration as demonstrated by the collaborative leadership. Collectively, these initiatives aim to improve coordination, reduce crime, and build greater public trust in safety services.

Continued Focus on Flood-Risk Mitigation

Reducing the number of homes and structures that are threatened by flooding in heavy rain events is the goal of this administration. This budget invests in a multi-pronged storm-water approach to work towards that goal, combining funding for existing programs with new initiatives. Capital investments in drainage maintenance and improvements make up roughly **15% of all capital funding** for this proposed budget. **Seed funding, \$500,000** is proposed to implement a local program targeting home elevations and buy-outs for structures that face repetitive flooding. While older homes are built to older standards, in newer developments, we have the opportunity to leverage the development community. A goal of this administration is to enhance flood-mitigation efforts by partnering with the development community to evaluate known flood-prone areas surrounding project foot-prints. As such, a **drainage betterment program** is being proposed. Dedicated funding also remains to complete the Bayou Vermilion Flood Control project, specifically, the Homewood and Coulee Ile Des Cannes detention ponds.

Investing in Public Infrastructure, Public Buildings and Quality of Life

Significant capital funding is proposed for investment in aging infrastructure from roadways to public buildings. As major corridors are upgraded it is our aim to modernize and harden all infrastructure in the vicinity - drainage improvements, electric grid upgrades, pedestrian and bike safety enhancements, and optimization of roadway and traffic flows. Key projects funded include:

- Johnston Street
- University Avenue
- Bertrand Drive
- City Hall Repairs and Renovations
- Improvements to Existing Walking Paths and Planning for Future Paths
- Modernization of the Heymann Performing Arts Center
- Carmel Drive Sidewalks
- Pinhook Road Turn Lane
- Cormier Road Improvements
- Design and Construction of Various Parish Bridge Replacements
- Completion of the Parish Courthouse Renovations
- Maintain the Lafayette Parish Jail to functional standards

Lafayette Consolidated Government
2025 - 2026 Proposed Budget

Mayor-President's Message

We are investing in every corner of the City of Lafayette and unincorporated areas of Lafayette Parish, prioritizing the modernization and revitalization of our existing infrastructure and oldest corridors, as well as building new public assets to accommodate growth and economic development. Every part of Lafayette Parish contributes to the communities' economic stability, whether it be redevelopment or greenfield development; each neighborhood reflects our cultural identity and our aim is to continue reinvestment in core infrastructure while strategically balancing growth opportunities in the parish.

Re-Evaluation of City-Parish Allocation

A significant aspect of LCG's budgeting is the allocation of shared expenses between the city and parish. Approximately \$40.9 million in expenses are divided, with the city contributing about 77% of this amount. Since the 2020 Census, Lafayette Parish experienced increased population growth, roughly 5% in four years, and corresponding demand for services required by shared departments. However, most of this population growth has occurred outside of the City of Lafayette. During the budget process my Administration met with the City-Parish Finance Committee to discuss the desire by the councils to revisit and re-evaluate the City-Parish allocation due to these factors. Modifications to the allocation schedule are recognized in the budget transitioning from solely revenue-based allocations and providing a mix of alternative allocation methods more consistent with actual activity of our government.

Support for Unincorporated Lafayette Parish

It is vitally important to support both urban and rural lifestyles in Lafayette Parish. To do this, investments in public services, public safety, and infrastructure are required to both preserve rural life and promote economic growth.

To make these investments, Lafayette's Parish property tax millages provide a majority of the funding. A few **millages are up for renewal this fall** that support the basics of government services and infrastructure.

The Parish Road and Bridge Millage supports road improvements and bridge repairs/replacements, keeping commerce flowing and neighbors connected. This millage generates \$12.5 million annually to support critical transportation infrastructure.

The Combined Public Health Millage supports parish-wide public health services, coroner's services, mosquito control, stormwater management investments, flood-risk mitigation, parish-wide fire protection and response services. Services provided through this millage are essential to public health and safety for both individual health and property protections, generating \$10.9 million annually. We welcome growth in the Parish, but we must ensure it is guided by clear, community-informed planning and infrastructure investments that sustain—not strain—resources.

In closing, this budget reflects a strong commitment to **service, stewardship, stability and healthy growth**. It was developed through a rigorous and collaborative process, with input from every department and a focus on results that matter to the people of Lafayette.

I extend my sincere gratitude to our City and Parish Councils for their continued passion and dedication to working with the administration in re-establishing credibility and responsible financial decision making that is critical to building a healthy community. I also extend my gratitude to our **Finance and Budget team**, department leaders, and staff whose hard work made this document possible. I look forward to working with each of you in partnership as we continue building a stronger future for Lafayette.

Respectfully,

Monique B. Boulet
Lafayette Mayor-President

Internal Memorandum

Finance & Management
Chief Financial Officer (0100)

TO: Mayor-President Boulet

DATE: July 8, 2025

THRU: Rachel Godeaux

FROM: Karen V. Fontenot

SUBJECT: Proposed FY 2025-2026 Budget Message

In accordance with Section 5-02 of the City-Parish Home Rule Charter and the guidelines established by your office, I am pleased to present to you the Proposed Operating and Five-Year Capital Improvement Budget for Lafayette Consolidated Government for FY 2025-26. This document reflects a balanced budget totaling \$803.7 million including inter-fund transfers and capital expenditures other than the Five-Year Capital Improvement Program. This is approximately \$51.6 million more than the budget adopted for FY 2024-25. In addition, the Lafayette Consolidated Government Non-Utilities Five-Year Capital Improvement Program budget totals \$444.7 million and the Utilities System Five-Year Capital Improvement Program budget totals \$495.7 million. The following is an explanation of some highlights with comparisons to the FY 2024-25 current budget as well as FY 2023-24 audited financials.

FUND BALANCE POLICY

Since the City and Parish General Funds are the primary operating funds for governmental activities, it is recommended that fund balances be maintained at a level that allows for flexibility and protection against temporary revenue shortfalls and unexpected one-time expenses. To that end, this administration adopted an ending fund balance policy requiring a minimum maintenance level of 20% of annual operating expenditures for the City and Parish General Funds. In FY 2022-23 and FY 2023-24, unexpended appropriations totaled \$17.0 million and \$18.5 million, respectively. Unexpended appropriations increase the fund balance above the budgeted amount. To ensure that decisions included in this budget can be funded beyond this budget year, the same limitation was applied to the additional three projected years on the City General Fund and Parish General Fund Pro Formas included in the Budget Overview & Highlights section of this budget.

This proposed budget and three-year projections are in compliance with this policy as shown below.

Lafayette Consolidated Government
2025 - 2026 Proposed Budget

Chief Financial Officer's Proposed Budget Discussion

Proposed FY 2025-2026 Budget Message
Page 2
July 8, 2025

City General Fund:

	Proposed	Projected		
	FY 25-26	FY 26-27	FY 27-28	FY 28-29
Total Expenditures	\$ 122,896,753	\$ 124,477,988	\$ 125,480,429	\$ 126,505,039
Net Increase/(Decrease)	9,182	1,444,253	1,759,361	3,073,937
Ending Fund Balance	\$ 58,228,408	\$ 59,672,661	\$ 61,432,022	\$ 64,505,958
Ending Fund Balance as a Percent of Expenditures	47.38%	47.94%	48.96%	50.99%

Parish General Fund:

	Proposed	Projected		
	FY 25-26	FY 26-27	FY 27-28	FY 28-29
Total Expenditures	\$ 20,665,775	\$ 19,207,158	\$ 19,521,225	\$ 19,844,243
Net Increase/(Decrease)	(997,934)	33,097	35,368	34,796
Ending Fund Balance	\$ 4,792,320	\$ 4,825,417	\$ 4,860,785	\$ 4,895,581
Ending Fund Balance as a Percent of Expenditures	23.19%	25.12%	24.90%	24.67%

REVENUES

Total estimated revenues excluding inter-fund transactions, grants, and use of prior year fund balance in this proposed FY 2025-26 budget total \$715.5 million compared to \$676.3 million in the original adopted FY 2024-25 budget. The \$39.2 million difference is primarily due to estimated increases in Utilities System revenues of \$23.9 million, general property taxes of \$11.5 million, and sales tax revenues of \$3.3 million over the prior year's budget. The assessed valuation used for Fiscal Year 2025 budget (Tax Year 2024) was based on tax year 2023 assessed valuation. The assessed valuation for tax year 2024 increased by 6.70% for the City and 9.15% for the Parish. Once again, revenues from federal and state grants that have not yet been awarded are not included in this budget; however, we will continue to pursue these grants and will present budget revisions as they are awarded.

Total	\$ 715,501	\$ 676,327	\$ 39,174	

General Property Taxes (Ad Valorem) are budgeted based on actual collections for the first seven months of the current fiscal year. The ten-year history of assessed valuation for the Parish and the City are shown in the graph below.

Parish & City Property Tax History
Net Assessed Valuations
(in millions)

City and Parish sales taxes in this budget are based on trends realized during the last 12 months. City sales taxes are projected to increase \$3.4 million or 3.2% in the current 2024-25 fiscal year from actual FY 2023-24 collections and Parish sales taxes are projected to remain constant for the same period. The increase in City sales taxes is based on a very conservative estimate, and

Chief Financial Officer's Proposed Budget Discussion

Proposed FY 2025-2026 Budget Message
Page 4
July 8, 2025

it is likely that actual collections will exceed these estimates. While the proposed budget is based on recent trends, sales tax collections will need to be closely monitored during the fiscal year. Lafayette's stable sales tax collections are evidence of Lafayette's success in maintaining its status as an economic hub for our region.

General Property Taxes are expected to increase by \$11.5 million or 11.71% due to a projected increase in property tax assessments and a roll forward of property tax millages. Sales Taxes are expected to increase \$3.3 million or 2.91% due to increased taxable sales. Charges for Services are expected to increase by \$2.4 million or 3.34% due to reimbursements from all departments for administrative costs and uninsured losses. Fines and Forfeits are projected to decrease \$210 thousand or 9.75% due to a decrease of city court civil fees collected. Utilities System Revenues are expected to increase \$23.9 million or 8.74% due to incremental rate increases on utility services and projected fuel adjustment rates. Communications Systems Revenues are expected to decrease by \$2.8 million or 5.17% due to a realignment of sales targets. Interest on Investments is expected to increase \$2.1 million or 10.62% due to improved investment portfolio performance.

Twenty-two percent (22%) of the City General Fund's revenue is attributable to in lieu of tax (ILOT) by the Utilities System Fund. The amount of ILOT included in this budget is \$26.9 million. However, the actual ILOT transfer could be substantially reduced based on decreases in cash flow. Those decreases can be due to increases in operational expenses, including expenses related to emergency weather related events, fluctuations in fuel cost, and increases in inventories such as coal.

There are two parts to the ILOT calculation. The first part of the calculation is the identification of taxable revenues and the second part of the calculation is often referred to as "the test". For the test, the amount of money left over after all the operating expenses and debt service are paid is compared to the amount of calculated ILOT. Increases in debt service, operating expenses, or inventory without a corresponding increase in revenue will have a negative effect on the amount of ILOT available. Continued monitoring of this fund's operations will be necessary to reduce the impact of ILOT fluctuation on the City General Fund.

This proposed budget includes an ILOT payment of \$2.0 million from the Communications System Fund. This is the fourth ILOT paid to the City General Fund from the Communications System (LFT Fiber). The calculated ILOT payment is reduced by the amount of imputed taxes paid by the system.

APPROPRIATIONS

Proposed expenditures, including inter-fund transactions and capital outlay, total \$803.7 million compared to \$752.1 million adopted for the current fiscal year. Net operating expenditures total \$486.1 million compared to \$458.4 million adopted for the current fiscal year.

Drainage	18,540	17,055	1,484	11,318	11,207	111
Traffic, Roads & Bridges	24,017	25,766	(1,749)	19,449	19,586	(138)
PARC - Parks & Recreation	17,367	16,800	567	14,518	14,225	293
Community Devel. & Planning	11,754	9,127	2,626	9,724	7,231	2,493
Others	27,358	15,499	11,859	16,885	15,486	1,399
Utilities System	300,014	269,941	30,073	221,055	196,630	24,425
Communications System	47,631	45,670	1,962	31,015	29,312	1,703
Total	<u>\$ 803,679</u>	<u>\$ 752,080</u>	<u>\$ 51,599</u>	<u>\$ 486,118</u>	<u>\$ 458,388</u>	<u>\$ 27,730</u>

The total increase of \$51.6 million is largely due to transition from use of one-time ARPA dollars back to normalized funding levels and funding sources. The increase can also be attributed to a 2% cost of living increase for employees at a cost of \$2.3 million across all departments. The increase of \$30 million in the Utilities System is due to \$20 million projected increase in purchased power, an \$8.3 million increase in debt service, a \$2 million increase in purchased services. The Public Works increase of \$9.0 million is primarily due to an increase in capital appropriations of \$9.5 million offset by a \$1 million reduction in operating expenditures due to a reorganization moving Code Enforcement from Public Works to Community Development & Planning, and a CPI increase in LCG's contract for garbage collections of \$820 thousand. The Other total appropriations increase of \$11.9 million is primarily due to an increase in Library capital outlay of \$10.5 million for construction and expansion of library buildings.

The City General Fund is budgeting \$1.1 million to cover the 2% COLA for retired police and firefighters who were retired from active service prior to 1999 and were merged with the various state retirement systems. This payment started in 2008 when the state systems did not grant a full 2% COLA. Since 2008, the City General Fund has paid \$10.9 million to retired police and firefighters. The amount proposed in this budget is \$548.7 thousand for retired firefighters and \$538.1 thousand for retired police.

Both the City General Fund and the Parish General Fund provide operating subsidies to other funds. These subsidies reduce the funds available to provide general governmental services.

The Adult Correctional Center Fund has not been fully self-funded since the mid 1990's. The Courthouse Complex Fund and the Parish General Fund have provided over \$31.3 million and \$7.4 million, respectively, in operating subsidies to the Correctional Center Fund. Included in this proposed budget is another \$2.2 million expected to come from the Courthouse Complex Fund to the Correctional Center Fund for FY 2025-26. The Courthouse Complex millage is sufficient to cover the operating expenses of the fund and support some of the operating expenses of the Correctional Center Fund in this proposed budget. Capital improvements and increased

Lafayette Consolidated Government

Chief Financial Officer's Proposed Budget Discussion

Proposed FY 2025-2026 Budget Message
Page 6
July 8, 2025

operating expenses in the Courthouse Complex Fund will limit the amount of funds available to provide future operating subsidies to the Correctional Center Fund.

The following table shows the various funds receiving operating subsidies from the City General Fund, the Parish General Fund and the Courthouse Complex Fund:

Current and Future Operating Subsidies from General Funds (In Thousands)					
FUND	Budget		Projected if costs increase 2% annually		
	2024-25	Proposed 2025-26	2026-27	2027-28	2028-29

*From Courthouse Complex Fund

The City General Fund subsidy for the Municipal Transit System in this proposed budget is \$3.2 million. The average subsidy over the past five years is \$1.8 million. The increase is due to the expiration of the FY 2020 CARES Act funding. This funding was used for operations and maintenance as well as capital improvements relieving some of the liability on the City General Fund. Since 2000, the City General Fund has subsidized the Municipal Transit System by \$46.7 million through fiscal year ended October 31, 2024.

Employer contribution rates to the statewide retirement systems decreased. There are many different statewide systems included in LCG's payroll. The Municipal Employees Retirement System (MERS), the Parochial Employees Retirement System (PERS), the Firefighters Retirement System (FRS), and the Municipal Police Employees Retirement System (MPERS) are the four with the largest participation. This budget assumes contribution rates for these four systems at 27.00%, 11.00%, 33.25%, and 33.475%, respectively. Funding for the required payment from LCG to MERS according to Louisiana RS 11:1733 or other amounts related to LCG's retirement system changes for new employees are included in this proposed budget. The actual amount due will vary depending on employee changes during the year. If necessary, a budget amendment will be presented during the fiscal year to adjust this expense.

Chief Financial Officer's Proposed Budget Discussion

Proposed FY 2025-2026 Budget Message
Page 7
July 8, 2025

FUND BALANCE

The City General Fund is budgeted to end next fiscal year with a fund balance of \$58.2 million or 47% of budgeted annual expenditures and is projected to increase fund balance by \$9,182. The Parish General Fund is budgeted to decrease by \$998 thousand and to end the year with a fund balance of \$4.8 million or 23.2% of budgeted annual expenditures.

The ending fund balance and the use of fund balance for both the City General Fund and the Parish General Fund for this proposed budget and the projected three years thereafter fall within the acceptable range according to the administration's ending fund balance policy discussed at the beginning of this memorandum.

All revenues and existing fund balance in the City 1961 Sales Tax Capital Improvement Fund and City 1985 Sales Tax Capital Improvement Fund are budgeted for capital projects. As projects are completed, any unused appropriations will be returned to fund balance during the year through budget amendments adopted by the City Council. Any additions to projects included in this proposed budget will require a corresponding decrease in current or proposed projects.

PERSONNEL

Total personnel is expected to increase by 6. The changes in the various departments are summarized below.

Department	Net Change #
Elected Officials/Judicial/Other	-1
Elected Officials Executive	-5
Legal	-1
Innovation & Technology	7
Public Works	-14
Traffic, Roads & Bridges	-5
Parks Arts Recreation Culture	5
Community Development & Planning	8
Others – Municipal Civil Service	1
Others – Library	1
Utilities	4
Communications System	6
Total	6

Elected Officials Executive personnel is decreasing by a net of five positions. Six positions within Communications/311 and the Mailroom are being transferred to Innovation & Technology, one position within International Trade will be eliminated, a Senior Paralegal is being transferred from Legal to CAO's Office, and a Vet Tech is being added to Animal Shelter. Innovation & Technology increased by seven positions. Six of these positions, as previously mentioned, are transfers of Communications/311 and the Mailroom and one new Camera Technician position is being added. Public Works decreased by fourteen positions, nine of those positions were transferred to Community Development & Planning in a reorganization adopted during FY 2024-2025. The remaining five positions eliminated from Public Works are two Fleet Mechanic and three Service Station Attendants. Traffic, Roads & Bridges eliminated five positions that were determined to not be needed. Parks & Recreation added five new positions to provide for additional staffing at recreation centers and to create efficiencies in Park Operations & Maintenance. Community

Chief Financial Officer's Proposed Budget Discussion

Proposed FY 2025-2026 Budget Message
Page 8
July 8, 2025

Development & Planning increased by a net of eight position with nine positions added from the previously mentioned reorganization and the elimination of one Budget Analyst position. Utilities has a net increase of four positions. Four positions within the Utilities System were eliminated, and eight new positions were added. New positions include one Business & Marketing Analyst, four positions in Electric Operations, and three Water/Wastewater Chief Operators. The Communications System is increasing by six in order to more efficiently operate and support the growing needs of the Communications System. The additions include three positions within Sales & Marketing, one position in Customer Service, one position in Operations, and one position in the Warehouse.

Promotions and new positions presented throughout this proposed budget were included at the request of each department director. Budget Management works with Human Resources and Civil Service to insure that no promotion or new hire is granted without the approval of Civil Service.

The salaries and related benefits include a 2% general pay increase for eligible employees and is deemed to satisfy the mandated 2% longevity for eligible firefighters. Raises included in this budget under the promotion line items are the result of recommendations by Civil Service based on Civil Service Rule IV Section 1.9.

GROUP HEALTH/LIFE INSURANCE FUND

The employer and employee contributions for group health premiums are expected to decrease by 7.5% from the prior year due to negotiated prescription cost savings and lower health insurance claims. An employee with single coverage will have cost of \$19.55 per pay period and LCG will have a cost of \$194.80. This is a reduction from Fiscal Year 2025 of \$1.58 and \$15.79 for an employee and LCG per pay period, respectively. An employee with family coverage will have a cost of \$166.71 per pay period and LCG will have a cost of \$391.56. This is a reduction from Fiscal Year 2025 of \$13.52 and \$31.74 for an employee and LCG per pay period, respectively. Total premium contributions are projected to generate \$23.0 million for self-insured group hospitalization insurance expenses.

The proposed premium structure for group health insurance is shown in the following table.

	Monthly Premium	Per Pay Period Premium		Monthly Premium
Employee Coverage			Retiree Family Coverage	
Employee Cost	42.36	19.55	Employee Cost	787.52
LCG Cost	422.06	194.80	LCG Cost	422.06
Total Cost	464.42	214.35	Total Cost	1,209.58
Family Coverage				
Employee Cost	361.20	166.71		
LCG Cost	848.38	391.56		
Total Cost	1,209.58	558.27

Proposed FY 2025-2026 Budget Message
Page 9
July 8, 2025

FIVE-YEAR CAPITAL IMPROVEMENT PROGRAM

The Consolidated Government's Non-Utilities Five-Year Capital Improvement Program totals \$444.7 million. Of that amount, \$75 million is financed with new bond proceeds over a five-year period for the City. We have been balancing our capacity to issue bonds with our ability to pay for them from sales tax proceeds while maintaining adequate coverage ratios and pay-as-you-go capital funds. New bond issues in this proposed budget maintain a strong 4.05 to 4.17 coverage ratio (4.11 average coverage ratio) of sales tax revenues to debt service payments without entering into any debt restructuring.

AD VALOREM MILLAGES

The following ad valorem millages will expire in 2025 and 2026:

EXCELLENCE IN BUDGET PRESENTATION

The Budget Management Division of the Office of Finance and Management continues to demonstrate its commitment to providing high quality service and excellence in financial reporting. For twelve consecutive years through FY 2024-25, the Office of Finance and Management has received the "Distinguished Budget Presentation Award" from the Government Finance Officers Association (GFOA) of the United States and Canada for our Annual Operating & Five-Year Capital Improvement Budget. This national award is the highest professional recognition in governmental budgeting. To receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, an operations guide, a financial plan, and a communications device. We believe our current budget continues to conform to the program requirements, and we are submitting it to GFOA upon adoption to determine its eligibility for another award.

CLOSING

We continue to see many changes in the regulatory environment for governments issuing municipal bonds. We are subject to increased surveillance and monitoring by the rating agencies and increased disclosure requirements. It is important that we continue to maintain a strong bond rating in order to obtain the best interest rates as we continue our capital improvement plan. The financial policy regarding fund balance in the City and Parish General Funds is one tool that helps us obtain the best bond rating for our government. Future recommendations regarding the sustainable use of fund balance should be considered.

I wish to thank you, CAO Rachel Godeaux, Budget Manager Denise Deville, the award-winning Budget Management staff, Financial Analyst Laura Grettner, the Directors, and CFO staff for their assistance in preparing this document. We look forward to working with you and both the City and Parish Councils in implementing this financial plan for the upcoming fiscal year.

Sincerely,

Karen V. Fontenot, CPA
Chief Financial Officer

NOTES:

- Difference in interfund transfers is transfers from non-operating funds not reported in this budget.
- Capital Outlay on this schedule reflects new capital outlay from 2025-26 fiscal year revenues. This schedule includes grant capital and director's reserves reported in this budget. It does not include new capital from bond proceeds and prior year accumulated retained earnings. For this reason, the capital outlay amounts reported on this schedule do not reconcile to the capital numbers reported on the Budget Overview & Highlights Tab, the total capital in the Capital Appropriations Section and the capital numbers reported in the Five-Year Capital improvement Program Section.

Schedule of Revenues by Fund

Elected Officials - Legislative/Judicial/Other (Dept. 001)

Lafayette Councils effective January 6, 2020, the Lafayette City-Parish Council was replaced by two separate councils consisting of five members each, those being the:

- Lafayette City Council - The Lafayette City Council serves as the governing authority of the City of Lafayette.
- Lafayette Parish Council - The Lafayette Parish Council serves as the governing authority for the Parish of Lafayette.

The City Council and the Parish Council, jointly, serve as the governing authority for Lafayette City-Parish Consolidated Government. Each Council member is elected for a four-year term. Council members serve as the voice of their constituents and, along with the Mayor-President, provide leadership and direction through the legislative process to the various departments of the Consolidated Government.

Justice of the Peace and Constables are independently elected officials serving six-year terms. Justices of the Peace have limited judicial authority over both civil and criminal matters. Constables are executive officials that execute processes issued by Justices of the Peace such as evictions and garnishments.

City Court has jurisdiction to hear cases that deal with the City of Lafayette municipal ordinances, traffic violations, parking violations, and cases where the amount disputed or value of the property involved does not exceed \$15,000.

City Marshal is an independently elected official serving six-year terms. The Marshal serves as the executive officer of the City Court. He executes orders and mandates of the court, makes arrests, and preserves the peace. He serves notices and summonses and executes arrest warrants issued by the court.

15th Judicial District Court has original jurisdiction over all civil and criminal matters and is the exclusive original jurisdiction of felony cases and most cases involving property.

District Attorney is an independently elected official serving six-year terms. The District Attorney prosecutes criminal cases for the parishes of Acadia, Lafayette, and Vermilion, which make up the 15th Judicial District. State statutes require the Lafayette Parish General Fund to provide funding in whole or in part for District Attorney operations within its parish borders.

Adult Correctional Center is operated by the Sheriff of the Parish of Lafayette in accordance with Louisiana state statutes. The Sheriff provides for the secure custody of all persons incarcerated. The budget of the Adult Correctional Center includes costs associated with the feeding, housing, and medical needs of inmates during incarceration.

Registrar of Voters Office is responsible for the registration of voters and for the administration and enforcement of the laws and regulations of the Secretary of State related to the registration of such voters.

Coroner's Office provides a broad and varied spectrum of technical and legal services to all of Lafayette Parish. It includes mental health, sexual assault cases, autopsies, and death investigations. The findings of the Coroner's Office can be admissible as court evidence. Other than approval of its budget through Lafayette Consolidated Government, the Coroner's Office is an autonomous Parish governing authority and is overseen by the Coroner, an independently elected official who serves four-year terms.

Legal Department (Dept. 010)

Legal Department is responsible for providing legal representation and support services to all areas of City-Parish Government. Duties include serving as chief legal advisor to the Mayor-President, the City and Parish Councils, and all governmental departments, commissions, offices, and agencies. The City-Parish Attorney reports directly to the Mayor-President as appropriate, relative to the legal matters of the City-Parish Government to ensure the highest levels of professionalism and efficiency in legal services and generate positive results through effective legal representation.

City Prosecutor is responsible for representing the City and Parish of Lafayette in City Court for violations of any ordinances including speeding, parking violations, DUI, littering, noise, grass cutting, etc. As an Assistant District Attorney, at the DA's discretion, he may also be called upon to prosecute other misdemeanor offenses in City Court.

Legal Department (Dept. 010)

Office of Finance & Management (Dept. 015)

Office of Finance & Management exists to oversee and manage, according to all applicable laws and standards, the Accounting, Budgeting, Group Insurance, Purchasing, Property, and Risk Management functions within LCG. The department must produce accurate and timely financial information for citizens, councils, employees, and management in order to facilitate sound decisions. In performing these functions, its staff must at all times operate within the bounds of strict fiduciary duty with regards to taxpayer assets.

Office of Finance & Management (Dept. 015)

Dept of Innovation & Technology (Dept. 025)

Innovation Technology (IT) handles network and infrastructure design, systems integration, operations management of all network systems, software services, GIS services, website design, ERP management, records retention and help desk services. IT is a full-service department that facilitates the needs through current technologies and products utilizing the most sophisticated and cost-effective web and computer managed services. In addition, our mission is to utilize technology to make LCG more efficient and to communicate and provide services for its citizens.

Police Department (Dept. 030)

Fire Department (Dept. 040)

Fire Department exists to safeguard and reduce the dangers to life, property, and the environment of our community through innovative training, code enforcement, and prompt dispatch of a qualified fire suppression force. The department provides emergency responses to fire, EMS, accident, hazardous material, and many other critical incidents within the city and at times the parish.

Public Works Department (Dept. 050)

Public Works is primarily responsible for construction and/or maintenance of parish-wide roads, bridges and drainage infrastructure as well as maintenance of over 100 LCG owned buildings and more than 1,750 pieces of equipment. Public Works provides engineering design support services for other departments (except LUS). The Environmental Quality Division is also under the authority of Public Works.

Public Works Department (Dept. 050)

Drainage Department (Dept. 051)

Drainage Department is dedicated to achieving proficient and effective flood and stormwater control within the 2,570.5 miles of drainage system (consisting of earthen and improved waterways, roadside ditches, and subsurface pipe systems) established throughout Lafayette City-Parish wide. Although drainage systems are of an integrate design and can be influenced by tidal and weather conditions, the Drainage Master Plan (implemented in 2020) emphasizes on providing better management of watersheds and maximizing the drainage systems' performance through the systemic approach of the decision making, managing ongoing inspection, routine maintenance, and improvement of the systems.

Traffic, Roads & Bridges Dept (Dept. 052)

Traffic, Roads, and Bridges (TRB) is primarily responsible for maintenance and/or construction of parish-wide roads, bridges, and traffic systems as well as with planning and executing the safe, convenient, and efficient movement of persons and goods through the transportation modes of walking, biking, and auto use throughout Lafayette Parish. As a department that oversees the maintenance and care of major arterials all the way down to local rural roads, TRB has a lot of area to provide for. However, TRB is committed to keeping up with this large task through several dedicated divisions, namely Traffic Engineering, Traffic Maintenance, Streets, Transit, and Parking.

Parks, Arts, Recreation, and Culture (PARC) (Dept. 060)

PARC exists to provide the citizens of Lafayette Parish the opportunity to participate in a wholesome environment in which they can experience a leisure time that is diversionary in character and to assist in promoting entertainment, pleasure, relaxation, and rewarding physical and mental development. In FY 2020-21, Parks and Recreation was reorganized into a new department. Parks and Recreation was combined with Arts and Culture, previously part of the Community Development Department, to create the new PARC Department (Parks, Arts, Recreation, and Culture). This new department now encompasses 30 parks, 10 recreation centers, 4 swimming pools, 3 golf courses, 2 tennis centers, 2 senior centers, 1 performing arts center, 1 nature station, and numerous athletic fields.

Municipal Civil Service serves to represent the public's interest in matters of personnel or human resources administration by providing the best qualified individuals for open positions through fair and equal opportunity of employment to all candidates, setting policies and procedures for employment activities to protect employees, and providing guidance and direction in the selection, promotion, and wages of classified employees where applicable. The department's goals remain consistent with its mission statement by consistently seeking out opportunities for training and application of better methodologies for compensation and examination principles. The Civil Service System was created under Section 4-15 of the Home Rule Charter for Lafayette City-Parish Consolidated Government.

Police & Fire Civil Service administers an effective, cost-efficient civil service system based on merit, efficiency, fitness, and length of service, consistent with the law and professional standards for police officers and firefighters. Police & Fire Civil Service is required under Louisiana state statutes for large municipalities.

Health Unit is a private company categorized under State Government Public Health Programs and is responsible for administering public health programs.

Cooperative Extension Service offers educational opportunities including online and in-person classes, seminars, workshops, field days, publications, and news releases. In addition, extension agents provide one-on-one advice and, increasingly, use the Internet to disseminate educational information. Educational topics covered include the use of agriculture and natural resources, lawns and gardens, environmental protection and resource conservation, family life, health and nutrition, housing and emergency preparedness, and youth development through the 4-H program.

Library mission is to enhance the quality of life of our community by providing free and equal access to high-quality; cost-effective library services that meet the needs and expectations of our diverse community for information, life-long learning, recreation, and cultural enrichment.

Communications System (Dept. 977)

Communications System also referred to as LFT Fiber, is the telecommunications department of LCG and currently operates one of the nation's largest municipal Fiber-To-The-Home networks. As the State's most reliable, all-fiber network composed of more than 700 miles of glass fiber, the system provides residents and businesses access to video, internet, and phone services over the world's leading broadband technology. Currently, LFT Fiber provides the fastest residential internet in the nation.

CITY SALES TAX REVENUE BONDS

CITY SALES TAX REVENUE BONDS

City Sales Tax Revenue Bonds this type of bond is issued for the purpose of purchasing, constructing, acquiring, extending and/or improving public works or capital improvements within or for the benefit of the City of Lafayette. These bond issues are secured and payable from a pledge and dedication of the proceeds of either the 1961 City sales and use tax or the 1985 City sales and use tax.

City Sales Tax Revenue Refunding Bonds these bonds are issued to refund City of Lafayette's Public Improvement Sales Tax bonds for the purpose of effecting a debt service savings. These bond issues are secured by and payable from a pledge and dedication of the proceeds of either the 1961 City sales and use tax or the 1985 City sales and use tax.

The City Combined Bond Construction Fund (Fund 441) was created during fiscal year 2017. The City Combined Construction Fund accounts for the proceeds from all City of Lafayette bond issues used to finance capital improvement projects within or for the benefit of the City.

Prior to the City Combined Bond Construction Fund being created a new construction fund was created for each bond issue. With the creation of the new combined fund, the bond projects are subject to a process where each are ranked for funding priority. In anticipation of future bond issues, the projects are approved by the Council(s), and the authority to issue debt from the State Bond Commission (SBC) is requested to incur expenditures for the projects may be granted through "cash lines of credit." This mechanism facilitates the start of projects that will be funded by bonds and provides an indication of outstanding capital commitments.

Louisiana Revised Statutes limit the Parish's General Obligation bonded debt for other purposes to 10% of the assessed valuation of the taxable property for a single purpose with no limit on the number of purposes. The City may issue general obligation bonded debt in excess of 10% of the assessed valuation of the taxable property for any single purpose provided that the aggregate for all such purposes (determined at the time of issuance of the bonds) does not exceed 35% of the assessed valuation of the taxable property of the City.

Five-Year Capital Improvement Program (CIP)

The Five-Year Capital Improvement Program (CIP) is a plan in which LCG's capital projects are projected over the course of the next five fiscal years. Funding will be approved by the City Council and the Parish Council for the first year of the program during the budget process. Capital improvement projects are defined as infrastructure, equipment purchases, or construction that results in a capitalized asset and having a useful life of more than one year.

Each year all of LCG's capital improvement project lists are reassessed to include updated projections on capital projects. Proposed new capital projects are prioritized by departmental directors, staff, and administration. Projects are included in the budget based on priority and the financial sources available and/or debt considered and overall consistency with LCG's goals and objectives. During the annual evaluation process, engineers and project managers discuss project costs, timelines, resources required, potential obstacles and other collaborations that may need to occur to successfully complete the project.

In addition to a Five-Year Capital Improvement Program Budget, Section 5-05 of the Home Rule Charter requires that a Capital Improvement budget must include the estimated annual cost of operating and maintaining the capital improvement to be constructed or acquired. When a new capital improvement project is undertaken, consideration is given to the operational impact of the project. The operational impact depends on the nature of the capital improvement project. These costs must be funded in the appropriate operating fund budget.

In recent years, due to fiscal constraints, LCG has focused the Capital Budget on maintaining existing infrastructure, such as roads and building maintenance projects. Typically, these types of recurring capital projects have minimal impact on the Operating Budget. Some projects may produce ongoing operational savings, such as new LED lighting throughout the City and recreation centers. The estimated impacts of operating costs can be found within this section of the budget document.

In addition to this section all capital projects budgeted for this fiscal year can be located in the Capital Appropriations section of this budget document. The Capital Appropriations section includes projects that are included in the first year of the CIP as well as normal capital such as vehicle and equipment purchases and/or replacements.

Five-Year Capital Improvement Program (CIP)

Five-Year Capital Improvement Program (Entity-Wide) Summary

Lafayette Consolidated Government

2025-26 Proposed Budget

Five-Year Capital Improvement Program (Entity-Wide) Summary

The grand total of LCG's entity-wide five-year capital improvement program from FY 2026 to FY 2030 is \$940,0426,040. The entity-wide five-year capital improvement program includes Non-Utilities, Utilities System, and Communications System. A summary of the entity-wide five-year capital improvement program is below. Detailed information can be found in the Five-Year Capital Improvement Program (CIP) Section of this budget document.

The Non-Utilities CIP identifies major public improvements to roads, bridges, drainage, sidewalks, public buildings, and parks. The Utilities System CIP identifies major public improvements to the electric, water, and wastewater systems. The Communications System CIP identifies major public improvements for the telecommunications system.

The capital amounts listed in the Five-Year Capital Improvement Program (CIP) Section of this budget document will not reconcile to the amounts listed in the Capital Appropriations Section. The capital amounts listed in the Five-Year CIP section includes bond proceeds and prior year accumulated retained earnings.

Five-Year Capital Improvement Program (CIP)

Five-Year Capital Improvement Program (Non-Utilities)

Lafayette City-Parish Consolidated Government Capital Improvement Project (CIP) list is reassessed each year to include updated projections on capital projects. Engineers and project managers discuss project costs, timelines, resources required and other collaborations that may need to occur to successfully complete the project. Funding requests for asphalt and concrete projects are put forth using a street rating system, while others, such as bridge funding requests, are based on when bridges are ready for replacement (based on design completion and permits received).

Five-Year Capital Improvement Program (CIP)

Estimated Operations and Maint Cost of Five-Year Capital (Non-Utilities) Improvements

**Lafayette Consolidated Government
2025-26 Proposed Budget
Five-Year Capital Improvement Program (Non-Utilities)
Estimated Operation & Maintenance Expenses**

6/19/25

When a new capital improvement project is undertaken, consideration is given to the operational impact of the project. The operational impact includes additional costs for staff, maintenance, debt and other expenses. The operational impact depends on the nature of the capital improvement project. These costs must be funded in the appropriate operating fund budget.

In recent years, due to fiscal constraints, LCG has focused the capital budget on maintaining existing infrastructure, such as roads and building maintenance projects. Typically, these types of recurring capital projects have minimal impact on the Operating Budget. Some projects may produce ongoing operational savings, such as new lighting throughout the City and recreation centers.

The maintenance costs for streets and drainage improvements included in the capital budget will have very little operational impact because most are existing roads in need of repair. The maintenance costs for these roads are currently budgeted through the Department of Traffic, Roads, & Bridges operating budget, and these improvements should reduce the maintenance needs in the department. The improvements to the striping of streets, intersection improvements and sidewalk repairs and construction should make the streets safer.

The estimated impacts of operating costs are listed below.

	Proposed	Projected				TOTAL
	FY 25-26	FY 26-27	FY 27-28	FY 28-29	FY 29-30

Five-Year Capital Improvement Program (CIP)

Five-Year Capital Improvement Program (Utilities)

Lafayette Utilities System's (LUS) Capital Improvement Project (CIP) program is reevaluated annually to include updated projections on capital projects for the electric, water, and wastewater systems. During the annual evaluation process, project managers discuss project costs, timelines, resources required, potential obstacles, and other collaborations that may need to occur to successfully complete the project. Additionally, the LUS Consulting Engineer of Record, in accordance with the Utilities System General Bond Ordinance, provides a comprehensive annual report that addresses the conditions and operations of the systems and overall financial and operational performance.

Glossary

Glossary of Terms

311 Lafayette – A non-emergency phone number that citizens can call to find out information about services, make complaints, or report problems. The 311 system additionally provides a digital portal for online use.

ACADIANA METROPOLITAN PLANNING ORGANIZATION – A regional organization established to oversee and administer planning grants. LCG transferred the operations of its MPO section to this separate entity.

ACADIANA OPEN CHANNEL – Public access television provider.

ACCOUNT – Another term for Code; the internal LCG number assigned to all accounting items for tracking in its financial record system.

ACCRUAL BASIS OF ACCOUNTING – The method of accounting under which transactions are recognized when they occur and are measurable, regardless of the timing of related cash flows.

AD VALOREM TAX – A tax levied against the assessed value of real property. Ad valorem tax is also referred to as property tax.

AMORTIZATION – The expense created by allocating the costs of certain tangible and intangible assets to the periods in which they are used; represents the expense of using the assets.

ANNUAL COMPREHENSIVE FINANCIAL REPORT – The official financial report of a government that complies with the accounting requirements of the Governmental Accounting Standards Board. The report is compiled by the government's staff and then audited by an external auditor.

APPROPRIATIONS – Authorization granted by the City and/or Parish Council(s) to make expenditures or to incur obligations for specific purposes.

AUDIT – An official financial examination of LCG's accounts or processes by an independent third party.

AUTOMATED CLEARING HOUSE – An electronic network for financial transactions in the United States. ACH payments are used for electronically transferring money to others without producing a written check or using a credit card.

BABS SUBSIDY – A federal payment to LCG for a percentage of the interest paid on Build America Bonds issued. The purpose of the payment is to reduce the cost of borrowing for the bond issuer.

BALANCED BUDGET – As defined by the LCG Home Rule Charter, this is the financial operational plan whereby proposed expenditures shall not exceed the total estimated funds available for the ensuing fiscal year.

BOND – A written promise to pay a designated amount (called the principal) at a specific date in the future together with periodic interest at a specified rate. In the budget, the payments due for the budget year are identified as Debt Service. Bonds are usually used to obtain long-term financing for capital improvements.

BUDGET – A plan of financial operation embodying an estimate of proposed expenditures for a given period and the proposed means of financing them.

BUSINESS TYPE FUND – See Enterprise Fund

CAPITAL ASSETS – Assets of a long-term character that are intended to continue to be held or used for a period of more than one year such as land, buildings, machinery, furniture, and other equipment.

CAPITAL IMPROVEMENTS PROGRAM – A five-year fiscal plan detailing the amount and timing of anticipated capital expenditures. The Councils adopt the first year of the CIP and approve the entire five-year plan in concept. It is updated annually with the adoption of the budget.

CAPITAL OUTLAY – Expenditures for the acquisition of, or addition of, capital assets or infrastructure. Capital Outlay may also be called Capital Expenditures.

CAPITAL PROJECT – A specific project that groups related capital expenditures together for the acquisition of, or addition to capital assets or infrastructure (e.g. a road overlay project or drainage project). Projects can include cost of land, engineering, architectural planning, and contract services needed to complete the project. A Capital Project may also be called a Work Order.

CARRYOVER – Capital projects or appropriations approved in previous years' budgets that have not been completed or expended due to various circumstances that will be brought into the next year for expenditure.

CERTIFICATES OF INDEBTEDNESS – A debt instrument similar in force and effect as a bond, though typically issued by a government or bank and not secured by any specific property or revenue.

CODE – Another term for Account; the internal LCG number assigned to all accounting items for tracking in its financial record system.

COMMUNICATIONS SYSTEM – LFT Fiber; the department that is responsible for Internet, cable television, and telephone services.

Glossary

COMMUNITY DEVELOPMENT – This department was dissolved in July of 2021. The functions of the department were absorbed by Parks & Recreation and Development & Planning. This created two departments: Community Development & Planning, and Parks, Arts, Recreation, & Culture (PARC).

COMPREHENSIVE PLAN – PlanLafayette; A parish-wide initiative to develop a vision and action plan for Lafayette for the next 20 years. This is a long-range strategy or “guidebook” for community growth, development, and redevelopment. This plan will be used to formulate public policy in terms of transportation, utilities, land use, recreation, and housing by using the community’s goals and aspirations for a future Lafayette.

CONTRACTUAL SERVICES – Services rendered to LCG’s departments and agencies by private firms, individuals or other government agencies.

COOPERATIVE ENDEAVOR AGREEMENT – Agreements that, under the Constitution of Louisiana, are formed to achieve a public purpose and are between the state and its political subdivisions or political corporations and with the United States or its agencies or with any public or private association, corporation, or individual.

CORONER’S EMERGENCY CERTIFICATE – A mental health commitment document.

COST OF GOODS SOLD – An income statement figure which reflects the cost of obtaining raw materials and producing finished goods that are sold to consumers.

COST OF ISSUANCE – All expenses associated with the sale of bonds. These can include legal fees, printing costs, and rating agency fees among others.

COULEE – Small drainage canal.

DEBT SERVICE – The periodic repayment of principal and/or interest on borrowed funds.

DEBT SERVICE FUND – Governmental fund type used to account for the accumulation of resources for and the payment of general long-term debt principal and interest.

DEDICATED FUNDS – Funds collected from a specific revenue source that must be appropriated for a specific expenditure.

DEFICIT – The excess of expenditures over revenues during an accounting period.

DEPARTMENT – A major administrative unit of LCG which indicates overall management responsibility for an operation or a group of related operations within a functional area and the level at which the budget is adopted.

DEPRECIATION – The expensing of an asset’s capital value over its estimated useful life to consider normal usage, obsolescence, or the passage of time.

DEVELOPMENT & PLANNING – A department of LCG. In July 2021, this department was renamed to Community Development and Planning.

DIVISION – An organizational unit that indicates management responsibility for an operation or group of related operations within a functional area, subordinate to the department level of the organization.

ENCUMBRANCE – The commitment of appropriated funds to purchase an item or service. To encumber funds means to set aside or commit funds for future expenditures.

ENTERPRISE FUND – A fund established to account for the operations and financing of self-supporting activities of a governmental unit that renders services on a user charge basis to the general public, similar to private business. The following funds operate on an enterprise basis: Lafayette Utility System (LUS), Communications System (LFT Fiber), Environmental Quality, CNG Service Station, and Lafayette Public Power Authority.

EVANGELINE CORRIDOR INITIATIVE – The branded name of a grant project which centers on neighborhood revitalization and planning along the future Interstate 49 connector (currently known as Evangeline Thruway).

EXPENDITURE – The payment of cash on the transfer of property or services for the purpose of acquiring an asset, service, or settling a loss.

EXPENSE – Charges incurred (whether paid immediately or unpaid) for operations, maintenance, interest, or other charges.

EXTERNAL APPROPRIATION – An authorization for expenditure by a non-governmental organization to provide a public service.

FAIR MARKET VALUE – The estimated price of an asset that a willing buyer would buy such asset from a willing seller when: (1) both are unrelated, (2) know the relevant facts, (3) neither is under any compulsion to buy or sell, and (4) all rights and benefits attributable to the item are included in the sale. FMV is generally the basis for tax assessment.

FIDUCIARY FUND – Funds used to report assets held in a trustee or agency capacity for others and which therefore cannot be used to support the government’s own programs.

FIRST TIME HOMEBUYERS PROGRAM – An assistance program offered to the citizens of LCG aiding in the expense of down payment and closing costs for home ownership. Primary for eligibility, applicants must not have owned a home in the last three years.

Glossary

FISCAL YEAR – Any yearly accounting period, regardless of its relationship to a calendar year. The fiscal year for LCG begins on November 1 of each year and ends on October 31 of the following year. For example, FY 2022/2023 begins on November 1, 2022 and ends on October 31, 2023.

FULL-TIME EQUIVALENT – Full-time equivalent represents a conversion of hours worked to a count of positions. On an annual basis, 2,080 hours worked equates to one full time equivalent position.

FUND – An independent fiscal and accounting entity with a self-balancing set of accounts segregated to carry on specific activities or obtain certain objectives. See also: “Major Fund” and “Non-Major” Fund.

FUND BALANCE – The difference between the assets and liabilities of a fund. Fund balance is terminology that is applicable to “fund level” reporting of individual governmental funds and is based on the modified accrual basis of accounting. It is used as a measure of the amount available to budget or spend in the future.

GEAUX MOW – Pronounced “Go Mow”. Geaux Mow is a program in which lawn care vendors bid online in real time for the mowing of LCG owned property. Properties are divided into various sized projects, which results in the ability of both large and small vendors to participate and be successful in acquiring mowing projects.

GENERAL ALIMONY – This is a property tax levied on both real and personal property according to the property’s assessed valuation and the tax rate. This property tax is used for general maintenance needs of the Parish.

GENERAL FUND – This fund is one of the five governmental fund types and typically serves as the chief operating fund of government. The General Fund is used to account for all financial resources except those required to be accounted for in another fund. As required by the Home Rule Charter, LCG maintains two separate and distinct general funds; one for the City of Lafayette and one for the Parish of Lafayette.

GENERALLY ACCEPTED ACCOUNTING PRINCIPLES – The common set of accounting principles, standards, and procedures that governments and private companies use to record financial transactions and compile their financial statements. These principles are a combination of authoritative standards (set by policy boards such as GASB) and commonly accepted ways of recording and reporting accounting information.

GOVERNMENT FINANCE OFFICERS ASSOCIATION – A professional organization established to assist in the professional management of government by developing and identifying financial policies and best practices through education, training, facilitation of member leadership, and networking.

GOVERNMENTAL FUNDS – Funds generally used to account for tax-supported activities. There are five different types of governmental funds; general funds, special revenue funds, debt service funds, capital project funds, and other general-purpose funds.

GRANT – A financial award given by the federal, state, local government, or private organization to fund a specific purpose or project.

GRANT MATCH – LCG’s required contribution towards a grant funded purpose or project. Grant match is typically made up of cash or in-kind support (i.e. goods, services, or other things of value) or a combination of both.

HAZMAT – Hazardous materials

HOME RULE CHARTER – Home rule is the power of a local city or parish to set up its own system of self-government without receiving a charter from the state. The Home Rule Charter is, in essence, a local constitution which lays down the basic structure and laws of the locality.

INDIRECT COST – A cost necessary for the functioning of the organization as a whole but which cannot be directly assigned to one service.

INTERNAL APPROPRIATION – An authorization for expenditure in one fund to aid in the services provided by another fund.

INTERNAL SERVICE FUNDS – These funds account for the financing of goods or services provided by one department or agency to other department or agencies of the governmental unit, or to other governmental units, on a cost-reimbursement basis.

IS&T – LCG’s Department of Information Services and Technology (also referred to as IS or IT). Name changed to Department of Innovation & Technology or IT beginning FY 22/23.

JUDICIAL DISTRICT COURT – Lafayette Parish is served by the 15th Judicial District Court.

KEEP LAFAYETTE BEAUTIFUL – A volunteer organization dedicated to keeping Lafayette beautiful through education and community involvement.

LAFAYETTE UTILITIES SYSTEM – The department of Lafayette Consolidated Government that is responsible for the Utilities (electric, water, wastewater). Also referred in some places as UT (see definition).

LFT FIBER – Lafayette Fiber; the department of Lafayette Consolidated Government that is responsible for Internet, cable television, and telephone service.

LONG TERM – Debt maturity of more than one year.

Glossary

MAJOR FUND – These are funds whose revenues, expenditures, assets, or liabilities are at least 10 percent of the totals for all funds. See also definition of “Fund”.

MANDATE – (See State Mandate)

MANNING TABLE – A series of lists by department/division which contain the titles, numbers of positions, and aggregate salary by position authorized to be filled by that particular division.

MILLAGE RATE – A tax rate that is applied to the assessed value of real estate.

MILLS – Tenth of a cent as it relates to the property tax rate. Millage or property tax rates are not expressed as regular percentages but in tenths of a penny. For example, a millage rate of 2 mills would mean 2 tenths of a cent.

MODIFIED ACCRUAL BASIS OF ACCOUNTING – Method of accounting that involves recognizing revenue when it becomes both available and measurable, rather than when it is earned. Expenditures are recognized when the related liability is incurred.

NON-MAJOR FUND – These are funds whose revenues, expenditures, assets, or liabilities are not 10 percent of the totals for all funds. See also definition of “Fund” and “Major Fund”.

NORTH AMERICAN ELECTRIC RELIABILITY CORPORATION – The institution that oversees and regulates the reliability of the North American electrical grids, of which Lafayette Utilities System is a part.

OTHER POST EMPLOYMENT BENEFITS – Benefits provided to an employee by LCG when he or she begins retirement including health care and life insurance premiums. The amounts shown in the group insurance fund are the actuarial estimates of the cost of those benefits to LCG as of the end of the fiscal year.

PARATRANSIT – A door to door transport service provided by LCG to its citizens with disabilities who are not able to ride fixed route public transportation.

PARISH – A territorial division corresponding to a county in other states.

PARKS, ARTS, RECREATION, CULTURE – In July 2021, the department of Parks & Recreation was reorganized to include the Heymann Performing Arts Center, Lafayette Science Museum, Acadiana Park Nature Station, and senior centers. The department was renamed as PARC to accurately reflect its new structure.

PATIENT CENTERED OUTCOMES RESEARCH INSTITUTE – As part of the Patient Protection and Affordable Care Act, a Trust Fund has been established and a per capita fee is imposed on all group health plans.

PAY AS YOU GO CAPITAL – Capital expenditures paid for through funds that are currently available and are not borrowed. In the case of LCG PAYG capital expenditures, these are funded through dedicated sales tax collections. Sixty-five cents of every dollar collected in sales tax by LCG is dedicated for capital and may not be used for operations.

PLANLAFAYETTE – The branded name of LCG’s comprehensive plan (see Comprehensive Plan for more information).

PPACA-TRANS – Patient Protection and Affordable Care Act-Transitional Reinsurance Fee; a fee imposed on LCG under the act that is based on the number of covered persons under the group health plan.

PRO FORMA – A budget based financial statement projecting fund performance until the end of the budget year.

PROJECT FRONT YARD – An initiative which brings together individuals, business, government, and media partners to address community beautification through education.

PROPRIETARY FUND – Funds that focus on the determination of operating income, changes in net position (or cost recovery), financial position, and cash flows. There are two different types of proprietary funds: Enterprise Funds and Internal Service Funds.

RESERVE FUND – A fund in which a specified amount or balance is required to be kept in case any pledged revenues are insufficient to pay debt service requirements. The debt service reserve fund may be entirely funded with bond proceeds at the time bonds are issued, may be funded over time through the accumulation of pledged revenues, may be funded with a surety or other type of guaranty policy, or may be funded only upon the occurrence of a specified event.

REVENUE – Sources of income financing the operations of government.

SINKING FUND – A fund established for the purpose of accumulating the government’s periodic debt service payments. Typically, regular deposits are made to this fund for a percentage of the next regularly scheduled principal and interest payment due.

SPECIAL REVENUE FUNDS – Used to account for the revenue derived from specific taxes or other earmarked revenue sources (other than for major capital projects) that are restricted by law or administrative action to expenditures for specified purposes.

STATE MANDATE – Any state constitutional, legislative, or executive law or order which requires a local government (municipality or parish) to act in a particular way on a public issue or to expend funds on certain functions or activities.

Glossary

STRUCTURED QUERY LANGUAGE – A computer programming language used for relational database management systems.

SURPLUS – An excess of the assets of a fund over its liabilities and reserves.

TAX INCREMENT FINANCING – A public financing method that is used as a subsidy for redevelopment, infrastructure, and other community-improvement projects. LCG has one active TIF district located at I-10 and Louisiana Avenue, whereby an additional one cent sales tax is used to finance infrastructure improvements in the defined district.

THIRD PARTY ADMINISTRATOR – Are organizations that process insurance claims or certain aspects of employee benefit plans for the government. Currently, LCG uses third party administrators to administer the worker's compensation plan and employee health care benefits.

TRANSFERS TO/FROM – Amounts transferred from one fund to another to assist in financing the service for the recipient fund.

UNINCORPORATED AREAS – Any region of land within the parish boundaries that is not a part of any city or town.

UNINSURED LOSSES – Amounts paid for property or liability claims that: 1) fall inside of any of the policies' deductible and 2) for which LCG is self-insured.

URBAN INFILL – A grant type received by LCG which funds the development of vacant, abandoned, passed over, or underutilized land within built-up areas of existing neighborhoods in the community.

WORK ORDER – See Capital Project.

Louisiana Revised Statutes limit the Parish's General Obligation bonded debt for other purposes to 10% of the assessed valuation of the taxable property for a single purpose with no limit on the number of purposes. The City may issue general obligation bonded debt in excess of 10% of the assessed valuation of the taxable property for any single purpose provided that the aggregate for all such purposes (determined at the time of issuance of the bonds) does not exceed 35% of the assessed valuation of the taxable property of the City.

Budget Ordinances

ORDINANCE NO. JO-XXX-2025

**A JOINT ORDINANCE OF THE LAFAYETTE CITY COUNCIL AND THE
LAFAYETTE PARISH COUNCIL ADOPTING AN OPERATING & FIVE-YEAR
CAPITAL IMPROVEMENT BUDGET OF REVENUES AND EXPENDITURES FOR
THE LAFAYETTE CITY-PARISH CONSOLIDATED GOVERNMENT FOR THE
FISCAL YEAR BEGINNING NOVEMBER 1, 2025 AND ENDING OCTOBER 31, 2026**

BE IT ORDAINED by the Lafayette City Council and the Lafayette Parish Council,
that:

WHEREAS, in accordance with all applicable provisions of the Home Rule Charter of
the Lafayette City-Parish Consolidated Government, the Lafayette Mayor-President has
submitted to the Lafayette City Council and the Lafayette Parish Council the Proposed FY 2025-
2026 Operating and Five-Year Capital Improvement Budget; and

WHEREAS, the Lafayette City Council and the Lafayette Parish Council have taken
under consideration the study of said Proposed Operating and Five-Year Capital Improvement
Budget.

NOW, THEREFORE, BE IT FURTHER ORDAINED by the Lafayette City Council
and the Lafayette Parish Council, that:

SECTION 1: All of the aforescribed “Whereas” clauses are adopted as part of this
ordinance.

SECTION 2: In accordance with the applicable provisions of the Home Rule Charter of
the Lafayette City-Parish Consolidated Government, including but not limited to Sections 5-01
through 5-03, inclusive, and in accordance with Sections 2-11 through 2-13, inclusive, of said
Home Rule Charter of the Lafayette City-Parish Consolidated Government, the Lafayette City
Council and the Lafayette Parish Council do hereby approve the said Proposed Operating and
Five-Year Capital Improvement Budget as amended in the attachments hereto and which are
made a part hereof and which will be identified in said final document under the title “Adopted
Operating & Five-Year Capital Improvement Budget FY 2025-2026.”

Appendix

SECTION 3: The following qualifications shall apply to the implementation and administration of the adopted budget:

- A. State law requires that certain firemen be given a 2% longevity salary increase. Accordingly, the pay reserve included herein for eligible fire personnel shall be deemed to include the two (2%) percent “longevity” salary increase required by State law for the fiscal year 2025-2026. Said pay adjustment will be effective no sooner than the first day of the first full pay period in fiscal year 2025-2026.
- B. No Departmental Director or agency of Lafayette City-Parish Consolidated Government shall be with authority to exceed appropriation levels which are identified departmentally within the budget adopted for the fiscal year without approval of the Lafayette City Council, the Lafayette Parish Council, or both by ordinance.
- C. Inasmuch as the limited wording of any budget ordinance cannot cover all mathematical computation, narrative circumstances resulting from salary and other appropriation adjustments, the Chief Financial Officer, through the Lafayette Mayor-President, is authorized and directed to comply with the dictates and intent of the adopted budget through whatever means he or she deems to be prudent and necessary and in order to ensure that a balanced budget is adopted. Upon completion of budget finalization work each year, the Chief Financial Officer, through the Lafayette Mayor-President, shall prepare a written report to the Lafayette City Council and the Lafayette Parish Council detailing the amount and nature of any adjustments required to implement the adopted budget.
- D. Lafayette City-Parish Consolidated Government’s budget and accounting practices assign to each department an amount designated as “Uninsured Losses” representing amounts to be transferred from each of the departments to the City-Parish Risk Management Program for uninsured losses incurred by the department. Such appropriations labeled “Uninsured Losses” shall not be transferred to any other line item in any department having such an appropriation.
- E. Salary appropriations for filled positions adopted in the annual budget shall be considered encumbered upon the implementation of the adopted budget.
- F. Salaries-Promotion Costs Line Items: Certain promotion costs have been funded in a special salary account entitled “promotion costs” and assigned the object code “503000” within each department. Whenever an intra-departmental promotion occurs, an administrative budget revision may be affected to move the salary and benefit costs to the appropriate line items for that division and to amend the Manning Table for the personnel position changes effective with the date of the promotion. No promotion date shall be before the first full pay period of the new fiscal year. Such changes to the budget shall be affected by administrative budget revision, a copy of which should be provided to the Office of the Lafayette Clerk of the Council.
- G. Overtime Line Items: Where additional overtime by existing employees is required to fulfill the duties of vacant positions, funds necessary to pay salaries for the same may be moved from the salary account allocated for the vacant position to an overtime line item for that division, provided, however, that the funds moved to the overtime line item shall not reduce

Appendix

funds available for the vacant position to less than the amount that would be required to fill the vacant position for the remainder of the fiscal year. Such changes in the salary account and the overtime line item shall be accomplished by administrative budget revision, a copy of which should be provided to the Office of the Lafayette Clerk of the Council.

- H. The general amendments may include changes to existing work orders in the FY 2024-2025 budget. Those changes are reflected in a separate column, if applicable, on amended schedules and this ordinance serves to approve and amend in the current FY 2024-2025 budget the changes so reflected and the Chief Financial Officer is authorized to affect the required budget changes.
- I. The amounts allocated herein for External Agencies (Arts & Culture, Social Services and ACA Grant) shall only be disbursed upon the approval of the Lafayette City Council based on recommendations submitted to the Lafayette City Council. The Lafayette Mayor-President is directed to develop and present to the Lafayette City Council an appropriate ordinance to amend the existing ordinance relative to the funding of external agencies in order to incorporate the spirit of this section.
- J. Whereby changes to existing work orders in the Five-Year Capital plans may be required to fulfill the adopted FY 2025-2026 Five-Year Capital Improvement Budget, such changes are reflected in the capital outlay budget column titled "Existing Work Order Changes." This ordinance will serve to approve and amend in the current FY 2024-2025 budget the changes reflected in that column and the Chief Financial Officer is authorized to affect the required budget revision if applicable.
- K. Additions of positions, deletions of positions, title changes, and/or other personnel changes are hereby approved as submitted and identified in the Manning Table.
- L. The reorganization plan submitted to move the Mailroom Division and Section from Elected Officials-Executive Chief Administrator Officer to the Innovation & Technology Department, is hereby approved as submitted.
- M. The reorganization plan submitted to move the Communications/311 Division and Section from Elected Officials-Executive Chief Administrator Officer to the Innovation & Technology Department is hereby approved as submitted.
- N. The plan submitted to create a new section named Sales & Marketing in Communications System within the Business Support Division is hereby approved as submitted.

SECTION 4: Certain activities and services are jointly provided and funded in the Adopted Operating & Five-Year Capital Improvement Budget with City of Lafayette funds and/or with Parish of Lafayette funds, and it is intended that the cost of such services and activities be shared equitably as set forth in the Allocation Schedule included in the "Budget Overview" section of the Adopted Operating & Five-Year Capital Improvement Budget. The

Appendix

Allocation Schedule reflects the financial obligations of the City and Parish funds for such services and activities, and the Chief Financial Officer, through the Lafayette Mayor-President, is authorized and directed to make monthly transfers as necessary to comply with such schedule based on actual expenditures. It is agreed and understood that such transfers will be made by applying the percentages set forth in said Allocation Schedule to the final adopted budget amounts.

SECTION 5: If any one of the provisions of this ordinance or the application thereof to any person or circumstance is held invalid or unconstitutional, such invalidity or unconstitutionality shall not affect other provisions or application of this ordinance which can be given without the invalid provision or application, and, to this end, the provisions of this ordinance are declared severable.

SECTION 6: All ordinances or resolutions, or parts thereof, in conflict herewith are hereby repealed.

SECTION 7: EFFECTIVE DATE. After first having been adopted by a majority of the authorized membership of both the Lafayette Parish Council and the Lafayette City Council, this Joint Ordinance shall become effective upon signature of this Joint Ordinance by the Lafayette Mayor-President, the elapse of ten (10) days after receipt by the Lafayette Mayor-President without signature or veto, or upon an override of a veto, whichever occurs first.
